IS STILL KICKING T. R.'S DOG AROUN'

National Committee Gives Taft Forty Votes and Teddy None.

CHASE E. OSBORNE UNSEATED

Governor of Michigan Loses His Fight for Delegates From His State—California and Arizona Contests Decided.

CONTESTS DECIDED

Contests decided yesterday by the Republican National Committee credits delegates as follows:

	Taft	Roosevelt.
Arizona	6	0
California	2	0
Louisiana	20	0
Michigan	6	0
Mississippi	6	0
Total	40	0
Previously settled	110	1
Total to date	141	1
Total contested	254	
Still pending	112	

Chicago, June 12.—President Taft gained 40 more votes in the Republican National Convention today through the settlement of contest cases by the National Committee.

It was a day of Taft victories exclusively. In the cases of the California, Arizona and Michigan contests the Roosevelt forces made a fight and voted their full strength against the Taft delegates. In the California case they secured a roll call, losing 16 to 37; in the Arizona contest they failed to get a roll call and in the Michigan cases none was asked, although they voted against seating the Taft delegates at large. The contests settled today in favor of President Taft were:

Arizona delegates at large, six; California, Fourth district, two; Louisiana, delegates at large, six; First, Second, Third, Fourth, Fifth, Sixth, Seventh district, 14; Michigan, delegates at large six; Mississippi, delegates at large, four; First district, two. Total, forty.

Pearl Wight, National committeeman from Louisiana, and the Roosevelt leader there, lost in his fight to seat the Roosevelt delegates from that State. An effort was made by Committeeman Harry S. New to end the long standing differences among Louisiana Republicans by officially recognizing the Loisel faction, now controlling the State Republican organization there, but Mr. Wight headed off such action.

Governor Chase E. Osborne, of Michigan, and his Roosevelt delegates at large were unseated by the decision of the Michigan case for Taft. The contest over the Fourth California district, decided for President Taft, furnished the most bitter exchanges of the day, Francis J. Heney leading the Roosevelt forces and insisting upon recognition for the Roosevelt delegates there.

The National Committee had before it when it adjourned tonight 125 contested seats still to pass upon. Chairman Victor Rosewater in a statement at the end of the session said the committee was not keeping pace with the work of the last convention. In 1908 but 88 contests remained to be decided on the Wednesday night preceding the convention. Members of the committee fear that the contests will run well over into the opening day of the convention.

The remainder of the Mississippi contests and those from the States of Missouri, North Carolina, Oklahoma, South Carolina and Tennessee will, it is believed, be disposed of tomorrow.

Decisive Developments Expected

Chicago, June 12.—Apparently irreconciliability of differences between Taft and Roosevelt leaders in the Republican party borne on a rising tide of charges of bribery, theft and other accusations, tonight threatened to precipitate decisive developments between now and the opening of the National convention next Tuesday.

The charges of corruption were made in a statement issued tonight by Director McKinley, of the Taft bureau, which directly accuses the Roosevelt managers of an effort to capture the convention by force.

Prominent men on both sides tonight admitted the situation had become so acute that almost anything might happen within the next few days. Among possibilities discussed in conference rooms, hotel corridors and party headquarters were two that continued to come up again and again.

The first of these was the possibility of a bolt by the Roosevelt forces and the organization of a "progressive" party if President Taft is to be renominated. The bolt talk was ever present during the day and once in a meeting of Roosevelt leaders rose to a point where William Flinn, of Pittsburg, who was presiding, refused to let it go further.

The second possibility and this seemed to hold the center of the stage tonight, was that of a compromise on

(Continued on Page Eight.)

NEW WAY TO REMOVE JUDGES

Senate Adopts Amendment Specifically Repealing Law Creating Commerce Court and Dropping Judges From Roll

Washington, June 12.—The law creating the Commerce Court would be specifically repealed, its five judges dropped from the government rolls and the total of circuit judges thus reduced from 34 to 29 under an amendment to the legislative, executive and judicial appropriation bill adopted by the Senate today. The amendment was proposed by Senator Smith, of Georgia. Both houses had already acted in accord in omitting any appropriation for the court.

This last amendment ,adopted after a sharp fight, must now go to conference with the House and if agreed to there, would be in the bill when it goes to the President, who must either approve or veto the bill as a whole. Congress, of course, could pass it over a veto by a two-thirds vote.

Senators declared today's action was most important politically as it suggested a means of removing judges by other methods than resignation or impeachment. Senator Cummins, a progressive leader and a Presidential candidate, found in it a substitute for the suggested recall of judges. He expressed opposition to the judicial recall.

Before the amendment came to a vote the chair ruled it out of order. The Senate overruled its presiding officer by a vote of 29 to 22, and then passed the amendment by a viva voce vote.

So strongly is President Taft said to believe in the need for the Commerce Court that his friends predicted tonight that he would veto the legislative, executive and judicial appropriation bill, which provides for the abolition of the court. The bill also provides for the salaries of the President, all the Federal judges and court officials, members of Congress and their mileage, members of the President's cabinet and employes of the great government departments.

The veto would be unusual, although government officials do not believe tonight that it would mean anything more than a second consideration of the bill and possibly the passage of a separate bill abolishing the court. The legislative, executive and judicial appropriation bill must be passed before Congress finally adjourns and unless the two-thirds majority necessary to put it through each House of Congress over the President's veto can be secured, it probably would be sent again to the White House without the provision objectionable to Mr. Taft.

HAWKINS DEFENDANTS FREED.

Jury Returned Verdict of Not Guilty Yesterday Morning.

Hendersonville, N. C., June 12.—All defendants in the Myrtle Hawkins case were today declared not guilty by the jury which has been sitting through the three long weeks of the trial, and were ordered released by the court. The verdict of the jury was rendered about 11:30 o'clock today.

The case went to the jury last night about 8 o'clock and they considered it until midnight. It is reported that they took four ballots before retiring for the night, and that two were secret ballots and two by rising votes. It is stated that none of the jurors was for first degree murder, although several are said to have held out for second degree murder at first. The cause of their change of opinion, according to one of the jurors, was the fact that it had not been definitely proven that the body found in the lake was that of Myrtle Hawkins.

There was a wild scene in the crowded court house when the verdict was announced.

The jury had sent word at 10 o'clock that it was ready to report. Judge Foushee was sent for and he reached the court room about 11 o'clock.

The defendants stood up, one at a time, and Judge Foushee asked the jury as to the verdict in the case of each one. In every instance, the answer was "not guilty". Mrs. McCall, when the verdict was announced, rushed to the foreman of the jury, threw her arms around his neck and kissed him. Mrs. Shaft jumped up and down and screamed. Hats were thrown in the air and handkerchiefs waved by friends of the defendants. Order was finally restored and Judge Foushee ordered all the defendants released.

The release of George Bradley, Boney Bradley, Ab McCall, Beatrice McCall, Dan McCall, Lizzie Shaft and Nora Britt, puts the situation back where it started with the finding of the body and sends the question, "Who killed Myrtle Hawkins?" down among the unsolved mysteries of the age.

FILES COUNTER CLAIM

Ted Sloan, the Jockey, Sues Julia Sanderson for Divorce

New York, June 12.—Ted Sloan, the former jockey, today filed a counter claim to the suit for divorce which his wife, Julia Sanderson, the actress, has brought against him. Besides denying all the allegations contained in his wife's suit and asking for a dismissal of that action, Sloan charges that his wife was friendly with two men during 1910. Sloan's wife in her action alleged that the jockey was friendly with a woman, whom she named, during 1908 and 1909. Sloan is said to be in Europe and to have written to friends here that he intended to keep away from America.

HIGH SPEED CAUSE OF AERO ACCIDENT

Collapse of Army Machine Was Due to Terrific Air Pressure.

PILOT TURNED TOO SHARPLY

Board Investigates Accident Which Resulted In Death of Lieutenant Hazelhurst and A. L. Welch, And Makes Report

Washington, June 12.—The collapse of the army aeroplane at College Park, Md., near here, last night, which resulted in the death of Lieutenant Leighton W. Hazelhurst, Jr., and the Wright pilot, A. L. Welch, was due to terrific air pressure on the aluminum-painted canvas wings, caused by too sharp a turn at full speed to ascend, according to the preliminary finding of the army board which today investigated the accident.

Although the board has prepared no written report, it reported orally today to Colonel George P. Scriven, acting chief signal officer, as follows:

"In his endeavor to succeed in the altitude climb Mr. Welch started from an elevation of about 150 feet and drove the machine toward the ground with the engine running at reduced speed in order to give the impetus with which to make his upward climb. When he reached a point near the ground from which he was to start the climb at a terrific speed Welch turned on the full power and at the same time turned the machine into the air. The angle of ascent was so sharp and the speed so great that the machine was incapable of withstanding the pressure of the air and the wings therefore collapsed."

The investigators visited the scene of the accident and minutely examined the wreckage, taking a number of photographs. They returned to headquarters and were in session but a short time before they reached their verdict. Three eye-witnesses, Corporals Adams and Ostrander and Private McCloud, of the aviation squad, were examined, although all the board had witnessed the accident.

A pall hung over the reservation at College Park today and the flag on the reservation as well as those on private grounds in the vicinity were at half mast. The men assigned to clear the wreckage went silently about their task and within an hour after the officers had finished their examination every particle of the machine was removed.

Colonel Scriven issued orders that no more flying should take place at the reservation during the remainder of this week. He also caused the following message to be sent to Mr. and Mrs. L. W. Hazelhurst, at Evansville, Ind., parents of the dead officer:

"The chief signal officer of the army and officers on duty with the signal corps desire to express to you their deep sympathy at the loss of your son who was killed while gallantly performing the duty assigned to him."

Lieutenant Hazelhurst's parents will arrive here tomorrow afternoon and the interment of the young officer will take place at Arlington National cemetery , riday morning with the military honors due to his rank. The honorary pallbearers will be his associates at the aviation station, and the body bearers will be the enlisted men from there.

In the belief that either the government or the families of the deceased airmen might desire to memoralize in some way the dreadful accident, enlisted men drove stakes into the ground where they were found. They bore the penciled inscriptions: "Hazelhurst found here," and "Welch found here."

TAFT URGES HELP

Asks Congress for $100,00 for Kodiak Volcano Sufferers

Washington, June 12.—President Taft in a special message to Congress today asked for an appropriation of $100,000 to be expended by the revenue cutter service in caring for volcano victims near Kodiak, Alaska.

In his message the President declares that he is in receipt of reliable information that as the result of the volcanic disturbances more than a thousand people are rendered homeless and that unless aid can be given them they are likely to suffer.

There were no deaths on Kodiak Island from the volcano and the ashes have stopped falling, according to a message today from Governor Clark. It is not probable, he adds, that smaller villages west of Kodiak and nearer the volcanic area have suffered worse.

The people from Kodiak Island, who are on the revenue cutter Manning, are badly in want of government aid and help must be had immediately, according to a telegram from Deputy Marshal Armstrong, at Kodiak.

Washington, June 12.—The Senate today adopted the House resolution authorizing President Taft to invite other nations to an international maritime conference to consider the lessons of the Titanic disaster. The President would also be authorized to accept Germany's invitation for the United States to participate in a like conference.

TEDDY FOR WOMAN SUFFRAGE

Roosevelt Announces He is In Favor of Allowing the Women to Vote Will Put It in His Chicago Platform.

Oyster Bay, N. Y., June 12.—Theodore Roosevelt announced this afternoon through Jurge Ben B. Lindsey, of Denver, that he is in favor of women suffrage in this country and that the platform which he will submit to the Chicago convention will contain an unequivocal declaration to that effect.

Judge Lindsey spent two hours with Col. Roosevelt today. The object of his visit was primarily to persuade the colonel to announce that he was in favor of woman suffrage. Heretofore Col. Roosevelt has merely said that he believed the question of woman suffrage should be submitted to the women themselves for determination whether they wished the ballot. As the judge was leaving Sagamore Hill he said:

"Col. Roosevelt has come out decidedly for woman suffrage. He was induced to take this definite stand by what the women voters have done in Colorado in opposition to Messrs. Guggenheim and Evans; in Washington, California and other Western States. Col. Roosevelt told me that he was convinced from this record of the advantage to the country to be gained by placing the ballot in the hands of women. The colonel also said that he had definitely decided to incorporate in the platform which he will submit to the Chicago convention a woman's suffrage plank."

Col. Roosevelt when questioned said that Judge Lindsey's statement was entirely correct.

HOOK NOT GUILTY.

Mistrial Ordered In Federal Court Case Tried in Raleigh.

(Special Star Telegram.)

Raleigh, N. C., June 12.—After being out for over 24 hours in the case of Robert J. Hook, the jury failed to agree and a mistrial was ordered by Judge Connor, in the Federal Court this afternoon. Hook was charged with using the mails to defraud in a bond sale scheme in which George W. Averill has pleaded guilty and claimed that Hook was an accomplice in inducing bond dealers North to advance fees for sales that were never consummated. Averill claims he was induced by Hook to undertake the work in good faith. He and Averill were both superintendents of Sunday Schools in Lynn, Mass., where he first knew Averill. The latter has not been sentenced.

CLASH WITH REBELS.

Cuban Forces Fight Battle With Force of Insurrectos.

Santiago, June 12.—The government troops today fought a battle with a force of rebels numbering 200, in the vicinity of Daiquiri, 15 miles from this city. The horses of the rebel leaders were killed and 20 horses and 18 rifles captured as well as some supposedly important documents.

Gen. Monteagudo, the commander-in-chief of the government forces, has granted 10 more days grace to rebels who desire to surrender and to obtain amnesty.

Cordova, Alaska, June 12.—Wireless messages received today from the revenue cutter Manning in Kodiak harbor and from the Alaska Packers' Association fishing stations at Karluk, Chignik and Naknek, said that there had been no report of loss of life on the island as the result of the volcanic disturbance.

OUTLINES

Roosevelt announced yesterday that he was in favor of woman suffrage and would incorporate a plank to that effect in his Chicago platform.

The jury in the Myrtle Hawkins case in which seven persons were being tried for murder, returned a verdict of not guilty yesterday morning.

President Taft yesterday sent a special message to Congress asking an appropriation for the people in Alaska made homeless by the volcano eruptions.

Chairman Norman E. Mack, of the Democratic National Committee, is expected to arrive in Baltimore today, when the committee headquarters for the convention will be formally opened.

The Senate yesterday refused to reconsider its adoption of the conference report on the army appropriation bill which would legislate Gen. Wood out of office and it was said the President would not veto it.

The National Republican Committee yesterday gave 40 votes to Taft and none to Roosevelt, all the contests from California, Arizona, Michigan and Mississippi being decided in favor of the President.

The board appointed to investigate the collapse of the army aeroplane Tuesday, which resulted in the death of two men reported yesterday that the accident was caused by making too sharp a turn at high speed.

The law creating the Commerce Court would be specifically repealed and its five judges dropped from the government rolls under an amendment to the judicial appropriation bill adopted by the Senate yesterday.

New York markets: Money on call steady 2 1-2 to 3 per cent.; ruling rate 2 3-4. Spot cotton closed quiet, 5 ponits higher. Flour about steady. HEADQUARTERS TO BE OPENED TODAY

National Committee Preparing For Democratic Convention.

FIRST MEETING OF LEADERS

Chairman Mack is Expected to Reach Baltimore Today—Governor Harmon Says He Will Not Accept Vice Presidency.

Baltimore, June 12.—Word came from New York tonight that National Chairman Norman E. Mack, chairman of the Democratic National Committee, would not be here with Secretary Urey Woodson until tomorrow, when the headquarters of the National Committee would be formally opened. Several National committeemen and local politicians expected the National chairman tonight and the first real gathering of leaders in the pre-convention season was held in anticipation of Mr. Mack's arrival.

National Committeeman Daniels' plan to make the second man on the final Presidential ballot the candidate for Vice President was met with an authoritative announcement that for Governor Harmon's part he would not accept a second place on the ticket. Edmond H. Moore, of Ohio, one of Governor Harmon's chief lieutenants, said:

"I can say positively that Governor Harmon would not take second place should he by any possibility fail of the main nomination."

It was also announced that Edwin Anderson, of Detroit, would make a speech seconding Governor Harmon's nomination. No other speakers to second Governor Harmon's nomination have been selected.

Plans were made today to bring the headquarters of Speaker Champ Clark to this city before the last of this week or the first of next week.

National Committeeman Edwin O. Wood, of Michigan, said today that his delegation made up of Harmon, Wilson, Clark and Underwood men. Mr. Wood said:

"I had expected that the committee on arrangements of which I am a member, would have met before this to select temporary officers of the convention, but after all the selection of the temporary chairman and the preparation of his speech will depend largely on what the Republicans do in Chicago, so there will be plenty of time. I haven't the slightest idea who will be the temporary chairman and I do not believe any other member of the committee knows either."

HASTY STRIKES CONDEMNED.

President James Wilson, of Pattern Makers' League, Makes Address.

Little Rock, Ark., June 12.—Hasty strikes were condemned and a better education of the laboring classes in general was urged by President James Wilson, of the Pattern Makers' League, in an address today before the International Brotherhood of Boiler Makers and Iron Ship Builders, meeting here in biennial convention. The two organizations are allied.

Mr. Wilson described the strike as one of the most dangerous elements in the programme of labor and urged that it should be invoked only as a last resort. With the education of the weaker, he contended would come a better mutual understanding between the employer and employe, and the necessity of strikes would be largely eliminated.

The convention ordered the distribution of 50,000 copies of Mr. Wilson's address.

PELLAGRAPHOBIA THE LATEST.

Fear of Pellagra is Clearly Defined Disease, Says Commission.

Spartanburg, S. C., June 12.—Pellagraphobia, or fear of pellagra, is a clearly defined disease which has been discovered by the Thompson-McFadden Pellagra Commission, sent to Spartanburg recently by the New York post graduate hospital for research work.

In an address to the South Carolina Press Association Dr. Joseph F. Siler, a member of the commission, requested the newspapers not to publish sensational stories about pellagra, the fatality of which he said had been exaggerated. He declared that the insanity supposed to result from pellagra was not so much due to pellagra as to pellagraphobia. Having been told that pellagra produced insanity, sufferers from the disease felt that they were bound to lose their reason and were actually frightened to becoming insane.

EARTHQUAKE SHOCKS FELT.

Many People Awakened by Tremors. No Damage Done.

Spartanburg, S. C., June 12.—A distinct tremor of the earth was felt in Spartanburg about half past five o'clock this morning. It was recognized by many persons as a real earthquake.

Brunswick, Ga., June 12.—Three distinct earthquake shocks were felt here at 4 o'clock this morning. Many people were awakened by the tremors and were greatly frightened. No damage was done.

Double Farce Comedy Film.

Big Biograph at the Grand Theatre today. **

WON'T RECONSIDER ARMY BILL

Senate Refuses to Take Up Again Measure Legislating Gen. Wood Out of Office—President Taft Will Not Veto It

Washington, June 12.—The Senate today 29 to 28, refused to reconsider its adoption of the conference report on the army appropriation bill carrying amendments which would legislate Major General Leonard Wood out of his office as chief of staff of the army.

Officials of the War Department assert that the bill will cripple the general staff and the war college by the reduction of its members from about 47 to 25 officers, a number insufficient to keep up with modern military developments.

With the exception of its head, General Clarence Edwards, the insuiar bureau, will be swept bare of the specially trained officers who have directed the fortunes of the insular possessions. Most of the military attaches abroad, including two oriental experts in China, must be immediately recalled. The Philippine constabulary would lose all of the officers who have brought it to its present high grade of efficiency.

It was hinted today that the legislation might be challenged judicially on constitutional grounds as an unauthorized infringement of the right of the President to appoint and direct officers of the military service.

The House will take up the adoption of the conference report tomorrow. If it accepts the report only President Taft's signature will be necessary to make it law. It is understood the President will not veto the bill. Major General Wood, Brigadier General Funston, Colonel Goethals and many other prominent officers would be excluded from the office of chief of staff by its provisions and the maintenance or rejection of many arm posts, characterized by the War Department as useless, would be left to a commission.

STUDENTS ROOT FOR WILSON

Princeotn, Harvard, Yale and Columbia Men Coming

New York, June 12.—Five hundred Princeton students will go to Baltimore in a special train on June 25th to root for the nomination of Governor Woodrow Wilson. They will be reinforced by a delegation of 100 students from Harvard and 25 each from Yale and Columbia. The programme for the trip was made up yesterday.

William F. McCombs, the local manager of the Wilson campaign, will leave for Baltimore Thursday or Friday and will establish headquarters in the ballroom of the Emerson Hotel.

J. C. Hammond, in charge of Governor Harmon's local bureau, will go to Baltimore this week and join the Harmon headquarters. Mr. Hammond said that arrangements are being made to carry 2,000 supporters of the Governor from the New England and Middle Western States to the convention.

GRACE WILL RECOVER

Operation Shows Bullet Did Not Sever Spinal Cord

Newnan, Ga., June 12.—Eugene H. Grace, who was mysteriously shot at his home in Atlanta last March, and who has since been partially paralyzed, was operated on today for the removal of the bullet supposed to have severed his spinal cord. The ball was not removed, but it was found that the spinal cord was not severed, nor was the bullet in the spinal column. It was embedded in one of the vertebrae, causing it to press against the cord, resulting in paralysis. Grace showed no bad effects from the operation and is expected to recover.

Mrs. Daisy Opie Grace, his wife, formerly of Philadelphia, who is charged with the shooting, is now a liberty on bond. Her trial is set for the week of June 24th, but developments in Grace's condition may result in another postponement.

TO NOMINATE CUMMINS

Nathan E. Kendall Will Place Iowa Man's Name Before Convention

Washington, June 12.—Senator Albert B. Cummins, of Iowa, will be placed in nomination for President of the United States at the Chicago convention by Representative Nathan E. Kendall, of Albia, Iowa, formerly Speaker of the Iowa House of Representatives and now serving his second term in Congress. The arrangement was made today after conferences between Senator Kenyon and Mr. Kendall. Senator Kenyon, who had been given that honor, will devote his energies entirely to the management of the fight for Cummins' nomination and returned to Chicago tonight.

The arrangements for a seconding speech have not been completed.

STATE MEDICAL SOCIETY.

Examining Board and Allied Associations Meeting at Hendersonville.

(Special Star Telegram.)

Hendersonville, N. C., June 12.—The Board of Medical Examiners of North Carolina is in annual session here for the purpose of examining approximately 130 applicants for licenses to practice medicine. The State Health Officers' Association will be in annual session on June 17th, and the State Medical Society will be in annual session on June 18th, 19th, and 20th. Arrangements have been made for giving all visitors splendid entertainment.

Ha! Ha! Ha! Ye old time Mule Race at Highwood Saturday. Ha! Ha-Ha! je 12-4t.

PYTHIANS ADJOURN ANNUAL SESSIONS

Grand Lodge of North Carolina Concludes Business at Wrightsville Beach.

THE KNIGHTS OF KHORASSAN

Elaborate Ceremonial Last Night—Officers for Ensuing Year—Meet at Winston-Salem Next Year—Memorial.

Cancelling the scheduled trip down the Cape Fear on the steamer Wilmington, and crowding two days' work into one, the 42nd annual convention of the Grand Lodge, Knights of Pythias, Domain of North Carolina, which opened at the Oceanic Hotel, Wrightsville Beach, Tuesday night, adjourned last evening shortly after 6 o'clock, having chosen Winston-Salem as the next place of meeting. Numbers of the delegates have already returned to their homes, but many will remain at the Oceanic for several days, enjoying the pleasures of Wrightsville Beach.

Last night the Dramatic Order Knights of Khorassan held their ceremonial and banquet at the Oceanic, and other than the souvenir dance at Lumina tonight, given by the Tidewater Power Company, complimentary to the Pythians, no other features of the convention remain. However, there are many Pythians still at the resort and it is expected that the dance will be largely attended by them, as well as by Wilmingtonians.

The Grand Lodge convened yesterday at 9:30 in the assembly hall at the Oceanic and the first matter taken up was the election of officers. Mr. G. Herbert Smith, of Cronly, placed in nomination for the office of Grand Chancellor Col. Walker Taylor, of Wilmington, the Vice Grand Chancellor for the past year, and Col. Taylor was elevated to the highest office of the Grand Lodge by a unanimous vote. The complete list of officers elected was as follows:

Grand Chancellor—Col. Walker Taylor, of Wilmington.

Grand Vice Chancellor—Mr. J. D. Pridgen, of Durham.

Grand Prelate—Rev. R. B. Owens, of Rocky Mount.

Grand Keeper of Records and Seal—Mr. W. T. Hollowell, of Goldsboro.

Grand Master of Exchequer—Mr. J. C. Mills, of Rutherfordton.

Grand Master at Arms—Mr. S. A. Robinson, of Gastonia.

Grand Inner Guard—Mr. C. H. Honess, of Asheville.

Grand Outer Guard—Mr. Geo. Brittain, of Reidsville.

Mr. Chas. Dewey, of Goldsboro, was elected one of the trustees of the orphans' home at Clayton, to fill the vacancy made by the death of Rev. Dr. P. R. Law, Mr. Dewey having been previously apponited to this position until the session of the Grand Lodge. Mr. G. Herbert Smith, of Cronly, was re-elected to succeed himself as a trustee of the orphan home for a full term of six years.

In the selection of a place for the next convention of the Grand Lodge Winston-Salem, Salisbury, Raleigh and morehead City were placed before the convention. It required two ballots to make a selection, Winston-Salem being chosen.

A proposed amendment to the grand statutes, creating a State Lodge to be composed of members of defunct lodges throughout the domain, and carrying with it the recommendation of the Grand Chancellor, was introduced and was made the special order for the afternoon session.

The report of the necrology committee was read, showing that 68 Pythians had died since the last Grand Lodge. The report was adopted and immediately afterwards a memorial service was held. Prayer was offered by Rev. Dr. Byron Clark, of Salisbury, and a touching and eloquent address was made by Rev. R. B. Owen, of Rocky Mount.

Prof. J. G. Baird, of Charlotte, delivered the memorial tribute to the memory of Rev. Dr. P. R. Law, a trustee of the Pythian home, a former Grand Prelate and one of the best loved Pythians in North Carolina, who died December 23, 1911. Prof. Baird's tribute was one of the most beautiful ever heard in the Grand Lodge. He declared that in the death of Dr. Law North Carolinia Pythianism had lost one of its most faithful friends and ardent admirers, and referred very feelingly to the efforts of Dr. Law in starting the movement which has made possible the pride of North Carolina Pythians, the Pythian Home at Clayton. The speaker eulogized Dr. Law as a man of strong conviction and lofty purpose; as a minister who met every test sound in his faith and true to every trust; as an editor, one among the best, whether at the head of the secular or ecclesiastical page, fearlessly assaulting evil and fighting for the good and right with paragraphs that sparkled with the brilliancy of a master mind; as a scholar the peer of any man whose name is enrolled on the roster of the Grand Lodge; as a Pythian one who exemplified the teachings of the order, both in word and in deed.

The tribute was a touchingly beautiful one and there were many wet eyes

Boston	15	33	.313

New York, June 12.—New York defeated Chicago again today 3 to 8. In spite of the fact that the visitors were without the services of Zimmerman and Tinker, who have been suspended for three days by President Lynch, Chicago played a strong game and was in the lead until the eighth. In the first half of that inning, Richie collided forcibly with Meyers at the plate. He was unable to resume and Brown who went into the box for Chicago was batted for two runs. The game was officially recorded as Marquard's 13th straight victory. New York was behind when Shafer batted for Marquard, but when Crandall went in the locals had forged to the front. The visitors made their two runs on Miller's double and Archer's home run.
Chicago .. ..020 000 000—2 9 3
New York .....000 100 02x—3 9 1
Richie, Brown and Archer; Marquard, Crandall and Myers. Time 1:58. Umpires Klem and Bush.

Brooklyn, June 12.—Today's game was played in the rain with Pittsburg winning 7 to 3. The visitors clinched their victory by making two singles, two doubles and a triple for four runs, after two men were out in the seventh. Two of Brooklyn's runs came in the ninth when with one on second, Wheat lifted the ball over the right field fence for a home run.
Pittsburg .. .. ..001 200 400—7 11 0
Brooklyn .... ..010 000 002—3 7 1
Robinson and Kelly; Burk, Allen and O'Miller. Time 1:39. Umpires Eason and Johnstone.

Philadelphia, June 12.—Cincinnati mixed up hits with passes by Alexander and Chalmers, and easily won today's game from Philadelphia 8 to 0. Manager Dooin's right hand was injured by a foul tip in the third inning off Suggs' bat, and he was forced to leave the game.
Cincinnati .. ...302 002 100—8 10 3
Philadelphia .. .000 000 000—0 4 3
Suggs and McLean; Alexander, Chalmers, Wallace and Dooin and Graham. Time 1:45. Umpires Owen and Brennan.

Boston, June 12.—Boston's errors and passes contributed largely to eight runs for St. Louis today and the visitors won. Boston's six runs were the result of bunched hits.

ROWLAND DOWNS DILLON.

Robeson Boys Win From South Carolinians Five to Four.
(Special Star Telegram.)

Rowland, N. C., June 12.—Rowland won from Dillon, S. C., in a pretty game of baseball this afternoon, Dillon having the game cinched until the ninth inning, when Rowland batted out a victory by the score of 5 to 4.

The features of the game were the batting of Graham, Johnson and McCormic, of the locals, and the fielding of the visitors. The score:
Dillon .....020 001 010—4 8
Rowland .....000 000 203—5 11

Atlanta, Ga., June 12.—Short-stop McElveen, of the Montgomery club, and Third Baseman Harbinson, of the Spartanburg, Carolina Association, club, have been purchased by the Atlanta club and will be in the game tomorrow. McElveen was secured in a trade with Montgomery for First Baseman Earl Sykes and Pitcher Paige. Harbinson was purchased outright.

Salisbury, Md., June 12.—After a quarrel near here today, John Niblett, 15 years old, is alleged to have poured the contents of a can of gasoline over Elmer Hastings, 10 years old and ignited his clothing. Hastings was horrible burned and is expected to die, Niblett ran away and has not been captured.

Why Is Sugar Sweet?
If sugar did not dissolve in the mouth you could not taste the sweet, GROVE'S TASTELESS CHILL TONIC is as strong as the strongest bitter tonic, but you do not taste the bitter because the ingredients do not dissolve in the mouth but do dissolve in the acids of the stomach. Is just as good for Grown People as for children. The First and Original Tasteless Chill Tonic The Standard for 20 years, 50.

Detroit	25	27	.481
New York	16	30	.348
St. Louis	14	36	.280

St. Louis, June 12.—Wood's home run with one error and Wagner's and Stahl's great fielding gave Boston the fourth straight this afternoon over St. Louis 5 to 2. Austin protested on a third strike and was ordered off the field.
Boston .....001 030 010—5 10 1
St. Louis .....000 120 000—3 6 1
Wood and Cady; Powell and Stephens; time 1:45; umpires Egan and O'Loughlin.

Cleveland, June 12.—Philadelphia made it four straight from Cleveland today, 6 to 0. The Athletics scored all of their runs in the first two innings off Baskette. Coombs was effective all the way.
Cleveland .....000 000 000—0 3 1
Philadelphia ....230 000 000—6 5 1
Baskette, Mitchell, George and O'Neil; Coombs and Lapp; time 1:41; umpires Hart and Collins.

Chicago, June 12.—Chicago got a lead of six runs in the first inning today and won the final game of the series from New York 11 to 2. Vaughn was relieved by Thompson in the first after he had passed two, hit one batsman and allowed two hits.
Chicago .....620 000 21x—11 12 0
New York .....000 000 020—2 12 2
Mogridge, Walsh and Block; Vaughn, Thompson and Sweeney and Street; time 2:05; umpires Dineen and Sheridan.

Detroit, June 12.—Johnson was invincible today and Washington made it four straight, winning by a score of 5 to 1. The visitors would have scored a shut-out, except for a misjudged fly that went for two bases, a passed ball and McBride's failure to touch Gaynor on a double steal. A fine running catch by Cobb, resulting in a double play, was the fielding feature.
Detroit .....000 100 000—1 3 3
Washington ....100 101 110—5 8 2
Covington, Works and Onslow; Johnson and Ainsmith; time 1:36; umpires Westervelt and Evans.

DURHAM PRIMARIES.

Little Interest in Bull City—Governor to Speak—Other Notes.
(Special Star Correspondence.)

Durham, N. C., June 12.—Although the date of the Democratic primary for the selection of county officers is only about a month and a half off, and the time in which candidates may make public announcement just a little over a month off, not a single man has announced his intention of running for any of the offices at this time. The primary is to be held August 1st, and the candidates must announce their intention of running at least ten days before, and deposit $5 to pay the expenses of the primary. So far as can be learned, there are no candidates for the county offices other than the present incumbents. However, it is freely predicted that the woods will be full of candidates for the places of county commissioners.

When the police searched Tom Dorton, a one-legged man, who, along with five other white men were arrested for gambling a day or so ago, they found that the man who had lost his limb was using the empty trouser leg as an itinerant bar room. The man's leg is cut off just below the hip, and he had tied the empty half to his trousers at the knee, and above this he had crammed a quart bottle of whiskey and a number of smaller bottles.

Thirteen members of the local chapter of the Boy Scouts have gone to the mountains to spend ten days on a camping trip. They are in charge of Mr. D. H. Wilcox, secretary of the Y. M. C. A.

Rev. John Jeter Hurt, the new pastor of the First Baptist church, of this city, arrived in the city last Saturday and held his first services in his new charge on Sunday. He comes here from Conway, Ark., and has a great reputation as a big preacher.

Governor Kitchin will speak in Durham next Monday night in the interest of his candidacy for the United States Senate. The Governor has practically the solid vote of the city of Durham and Durham county, and really it is hardly necessary for him to come here to speak. Durham people always turn out to hear him in great crowds, and be it said to the credit of the Governor that he always has a good-sized crowd of women in his audiences. If women could vote, he would get as many suffragette votes in Durham county as the regular poll.

SCHOONER'S CREW RESCUED

Steamer Berwindvale Saves 10 Men From the Fannie Prescott

Newport News, Va., June 12.—The British steamer Berwindvale, Captain Williams, arrived today with the captain and nine men of the crew of the foundered schooner Fannie Prescott, of Stonington, Conn. The men were rescued from the top of the cabin of the waterlogged schooner Monday morning after having been without food or water for nearly three days.

When sighted Sunday afternoon the schooner was 75 miles east of Savannah drifting northeast. It was impossible to launch boats on account of a storm and the steamer lay by until Monday morning when she succeeded in getting the men on board.

The Prescott was bound from Savannah to New York with a load of lumber.

Lots of fun at Highwood Park Saturday. je 12-4t

WRIGHTSVILLE BEACH

One of the most successful fishing parties of the season went out with Captain Wells in the Vergia May yesterday morning from the Seashore Hotel, spending the entire forenoon outside, and landing about 200 fine specimens of the finny tribe. In the party were Mr. W. C. Carrington, of Spartanburg, S. C., and enthusiastic angler who has been coming to Wrightsville Beach for years; Mr. Harry Banks, of LaGrange, Ga., and Mr. and Mrs. Gabrille Cannon, of Spartanburg, S. C. Mrs. Cannon is also an enthusiastic patron of the gentle art, and she easily landed her share of the fish yesterday.

A party composed of Messrs. Roland Crane and E. C. Matthews, of Durham; T. M. Duckett and R. F. Stevens, of Asheville, and Mr. Thomas, of Ramseur, with several friends, all visiting Pythians attending the convention of the Grand Lodge, went outside in the launch Sewanee, Captain Van Salter, from the Oceanic Hotel yesterday, spending several hours enjoying the fine fishing. They brought back a very fair string of the finny beauties.

Mr. and Mrs. E. S. Steele, of Charlotte, and Mr. E. S. Steele, Jr., arrived yesterday to spend some time at the Seashore Hotel, Wrightsville Beach.

Among the arrivals at The Seashore yesterday were J. H. Craighill and Walter Scott, Charlotte; Irvin Buckner, Whiteville; J. Bruce Sugg, Greenville, S. C.; Jas. G. Griffith and F. V. Henry, of Marion, S. C., and J. D. Grandy, Charlotte.

In honor of her children and the children of Mrs. W. H. Gardner, of Boston, Mass., Mrs. T. T. Williams, of Atlanta, yesterday entertained a number of friends on a launch party to Shell Island. Mrs. Williams had as her guests Miss Dorothy High and Miss Janie Thornton, of Atlanta, and Mrs. Harry Banks and Miss Margaret Banks, of LaGrange, Ga., all guests of the Seashore Hotel. The party went out in the launch Louise, Capt. Wells, and several hours were very pleasantly spent on the island. A lunch was served picnic style.

Mrs. Edwin M. Wilson and little son, Master Hugh McLean, of Haverford, Pa., are at Wrightsville Beach on a visit to Mrs. Wilson's parents, Mr. and Mrs. H. McL. Green, Cottage No. 110.

Dr. W. L. Adden and bride, of Mullins, S. C., were among the arrivals at the beach yesterday. They had dinner at The Orton and came to the Seashore in the afternoon. Dr. Adden is formerly of Newberry, S. C., Governor Blease's home town, and he expressed confidence of Governor Blease's re-election this Fall.

J. C. Clifford, Esq., a prominent attorney of Dunn, N. C., who has been attending the Pythian convention at The Oceanic Hotel, Wrightsville Beach, left last night for his home. He expressed himself as having had a most delightful time and spoke in high praise of the service given at the hotel.

Funeral of Little Son.

The funeral of Adolph Einstein, Jr., the little son of Mr. and Mrs. Adolph Einstein, who died Tuesday morning, was held from the residence of the parents on Chesnut street yesterday morning at 11:30 o'clock. The service was conducted by Rev. Dr. S. Mendelsohn, Rabbi of the Temple of Israel, and there were a number of sorrowing relatives and friends present. Interment was in Oakdale cemetery.

CHOOSE THE GREER ROUTE

Duke's Electric Line Will Parallel Southern Railway

Spartanburg, S. C., June 12.—The directors of the Greenville, Anderson and Spartanburg Railway Company, the electric line projected by J. B. Duke, decided today to follow the Greer route, which parallels the Southern Railway, in building between Spartanburg and Greenville. There was intense competition between the people of Greer and the people of Reidville to obtain the line and both offered right-of-ways and other inducements. Reidville is six miles from the nearest railway. The Greer route was chosen because it is three miles shorter, has less engineering difficulties and offers more business.

Washington, June 12. — President Taft today nominated David F. Bailey to be collector of internal revenue of the Sixth district of Virginia, at Abingdon, Va., succeeding L. P. Summers.

DROWNED IN CAPE FEAR

Mr. J. H. Long Sinks to Death Before Eyes of His Family

Moving from Shallotte, with his wife, little daughter and household effects on the schooner George Slover, in charge of Capt. A. A. Millican, his father-in-law, to a pretty new cottage which he had just completed at Lakeside Park, a suburb of this city, Mr. J. H. Long, aged 26 years, was drowned Tuesday afternoon in the Cape Fear river, 17 miles below the city. His loved ones, powerless to aid, witnessed the unfortunate man sink to his death in the water. The body has not been recovered, though the river was dragged all day yesterday.

Mr. Long was assisting Capt. Millican in sailing the boat. He had gone forward to the bow when suddenly the wind veered and threw the foresail over. Mr. Long was caught unawares and swept from the deck.

His cry was heard and the boat was brought around and began to tack back as swiftly as possible. Mr. Long was known to be a good swimmer and at first no great fear was felt for his safety. However, the tide was running strong and soon exhausted him. The strong breeze made it necessary for the boat to tack a number of times, and just as it was nearing the struggling man he was seen to sink for the last time.

The young widow and her child will have the tenderest sympathy of the community in the great sorrow which has come into their lives.

Joyner-Smith Nuptials.

A quiet, but pretty marriage, was celebrated yesterday evening at 6 o'clock at the residence of Miss Henrietta Ennett, No. 307 South Sixth street. The parties to the marriage vow were Mr. Thaddeus Joyner and Miss Ida Smith. Rev. E. C. Sell, pastor of Trinity Methodist church, performed the ceremony. Mr. Joyner is from Duplin county and Miss Smith is from Columbus county, but they have been making Wilmington their home for some years. These popular young people will make Spencer their home. They leave Wilmington accompanied by the best wishes of their numerous friends for a long and happy life.

Drove Over White Lady

William Hall, colored, was arrested yesterday afternoon by Hall Officer Joe Lane on a warrant charging him with reckless driving. It is alleged that the negro, while driving a horse to a road cart on Wright street yesterday afternoon, ran against and knocked down Miss Elsie Williams, of 709 South Fifth street. The young lady was badly bruised and shocked and will not be able to appear as a witness against the negro for several days. Hall was released on $100 cash bond, with Mr. James Darby as surety.

Races Open to All.

$200 given away in prizes at Highwood Park Saturday. Enter your horse or mule now. Books close 12 o'clock Friday. Room 6, Grand Theatre building. je 12-4t.

..Theatrical..

There is no let-up in the good, the gloriously good things the New Bijou, handsome of dress and delightful of comfort, cooled and healthfully ventilated by a perfect system, is daily furnishing to the amusement public of Wilmington. The titanic efforts are being appreciated, too, judging by the tremendous audiences that every afternoon and every night pack the theatre. Yesterday was another banner day for the beautiful amusement palace, and today is going to be another.

A film that cracks with martial spirit, that savors of the clash of sabers and the rattle of musketry, with the roar of battle and yet with a strain of tenderness wending its way throughout the story, will be one of the topliners of today's great bill. It is called "The Sunset Gun", and it is a war film of novel conception and of heart gripping power and soul filling sweetness.

And another star of the many other films today will be Kalem's latest and most wonderful, "Missionaries in Darkest Africa". The beholders are carried to the jungles of Africa and to the desert and there they rub shoulders, as it were, with some of the most formidable and fiercest of tribesmen. Amusement lovers certainly should witness today's bill at the delicious New Bijou.

At the Grand Theatre.

The Grand Theatre is now offering daily two big feature films and still a third instead of one feature and two stock films as heretofore and these with the splendid music by the orchestra, the delightfully cool and pleasant auditorium are making many new friends for the theatre daily.

The "Picture Idol" is a Vitagraph of interest and fascination for all who see it. The matinee idol has nothing on the moving picture star. He is the victim of the worship of a love-sick maiden, whom he cures of her foolishness when she learns he is a mere man. This picture possesses comedy as well as dramatic features and should appeal to all. The other topliner for today is a double farce comedy. "A Close Call" and "Helen's Marriage", are the subjects and they are wonderfully developed. A couple of street fakirs fail to draw a crowd. One of them blacks up and puts on a negro character song. He is arrested by mistake for a negro wanted in the community for kidnapping and his neck is saved only after a series of most sensational instances. "Helen's Marriage" is the story of Helen and Tom, who try to elope, but papa catches them and drives Tom away with a gun. At first Tom's friends give him the laugh, but the next day when he tells them of a plan, which was suggested by seeing a motion picture company at work, they consent to help him, bringing his plans to a successful close.

WASHINGTON NEWS LETTER.

New Federal Building—Truck Shipments—Naval Reserves.

(Special Star Correspondence.)

Washington, N. C., June 12.—Work on Washington's handsome new Federal building, corner of Market and Second streets, is progressing at a rapid rate. Messrs. John G. Unkerfer & Co., architects and builders, of Minerva, Ohio, have the contract, and their representative and member of the firm, Mr. F. R. Pratt, has personal charge of the work of construction on the local building.

Thomas Gore, colored, was seriously injured yesterday afternoon on the shifting yards of the Norfolk Southern Railroad, at Chocowinity, by getting wedged between two box cars that he was attempting to couple for a shifting engine. He was considerably mashed and bruised and was immediately brought to this city and taken to the Washington Hospital for treatment.

The members of the local company of North Carolina Naval Reserves, under command of Lieut. C. L. Morton, are making active preparations for their outing on Chesapeake Bay next month. Since their organization only about three months ago they have made rapid strides in their drills, etc., and are now one of the best companies in the State.

Large shipments of truck and early vegetables are daily being made from this city, and potatoes by the car load. There are now between 15 and 20 buyers in the city representing Northern and Western houses and the truck is bringing good prices, which are of great benefit to the farmers of this county.

COMMITTTEE NAMED

Will Conduct House Investigation of "Beef Trust"

Washington, June 11.—The House investigation of the "Beef Trust" and other trust questions will be conducted by Chairman Clayton and a subcommittee of the Judiciary Committee, consisting of Representative Webb, of North Carolina; Carlin, Virginia; Floyd, Arkansas; Davis, West Virginia; Sterling, Illinois; Howland, Ohio, and Norris, Nebraska.

The "trust" investigation will begin when the Archbald impeachment case has been disposed of.

The investigation was called for in a resolution introduced by Representative Edwards, of Georgia, several weeks ago. The Department of Justice is to co-operate with the committee in its investigation and a long arduous sitting of the committee throughout the Summer is probable.

Silver ball buttons of different shades are used to trim blouses of white or colored material. Fancy buttons of all kinds are used in abundance and on many gowns are the only trimming.

Man Coughs and Breaks Ribs.

After a frightful coughing spell a man of Neenah, Wis., felt terrible pains in his side and his doctor found two ribs had been broken. What agony Dr. King's New Discovery would have saved him. A few teaspoonsful ends a late cough, while persistent use routs obstinate coughs, expels stubborn colds or heals weak, sore lungs. "I feel sure it's a Godsend to humanity," writes Mrs. Effie Morton, Columbia, Mo., "for I believe I would have consumption today if I had not used this great remedy." It's guaranteed to satisfy, and you can get a free trial bottle or 50-cent or $1.00 size at R. R. Bellamy.

Souvenir Dance Tonight

Souvenir dance at Lumina tonight.

ORGANIZED BEAR HUNT

Going After Bruin In Lenoir—News Notes at Kinston

(Special Star Correspondence.)

Kinston, N. C., June 12.—A large number of sportsmen and others left here at noon today for Neuse township, to participate in an organized bear hunt which will extend over a large area in that section. Near the farm of H. C. Parrott in Neuse township, a family of the animals was seen, and others at the neighboring place of Starr Hicks. The appearance of cubs assures an exciting finish to the chase, should the bears be found, as the mother of young Bruin is invariably warlike. The number of bears, of all species native to this region is greater than at any time in many years. They have made frequent visits to farms in Lenoir, Onslow, Jones, Duplin and Greene counties in the past week, and several occasions on which they showed fight are reported. The hunters who left today will probably return tomorrow.

Conductor Coward, of the Norfolk-Southern, and the flagman of the freight train of which he was in charge, had a narrow escape from almost certain deaths late yesterday, between Kinston and Lincoln City, a suburb. The men were "riding" a box car, and struck a telephone wire which was hanging low, the train running at a fair rate of speed. The flagman was caught by the wire across the chest and lifted from his feet, while the conductor was cut by it across the face, receiving painful wounds about the eyes. Both men fell, and the flagman caught as he was about to fall between the moving cars. Coward also narrowly averted falling from the car, rolling several feet to its edge.

A light frost was reported yesterday from several points, and cotton and other small plants were slightly nipped. The damage from the frost will amount to little, and rising temperature will make a repetition improbable.

Every train today is bringing delegates to the annual conference of the Epworth League of North Carolina, which meets in Queen Street Methodist church in opening session tonight. Already a hundred visitors are here, and by the hour for the opening service the number will have been doubled, it is expected. Members of the local league are meeting the delegates at the depots, and they are assigned to homes for entertainment immediately upon arriving. The last of the visiting members are expected to arrive at 7:15 this evening.

STATE B. Y. P. U. MEETING

Sessions Begin at Dunn—County Politics—Personal Items

(Special Star Correspondence).

Dunn, N. C., June 12.—The first session of the B. Y. P. U. Convention was held in the Baptist church last night with a large number of delegates in attendance from different parts of the State. Dr. E. M. Poteat delivered the main address last night followed by Mr. Arthur Flake. An interesting programme has been arranged and promises to be a very interesting meeting to the town people as well as the members of the organization. The local chapter has quite a large membership and has been doing a fine work since its organization a few years ago.

County politics is warming up and promises to be rather interesting from now until August 12th, when the Democratic county convention will be held. There are nine candidates for sheriff, three candidates for register of deeds and four candidates for county treasurer, with several townships not heard from. There will be an effort made to nominate a strong board of county commissioners, as the welfare of the county depends a good deal on those officers; no names have been definitely announced for the last named positions.

Mr. Joel G. Layton has sold his mercantile business to G. M. Floyd & Co., who have moved their stock of goods into the store formerly occupied by Mr. Layton. Mr. Layton will now devote his entire time to his large farming interest in different parts of the county and to his brick manufacturing plant at Wade.

Messrs. J. O. Clifford, Ellis Goldstein, Marvin L. Wade, of Dunn; Messrs. Thos. H. Webb, E. S. Yarbrough and R. H. Knight, of Duke, left yesterday for Wilmington to attend the Pythian Grand Lodge meeting.

Miss Clara Smith, of Red Springs, sister of Mr. E. W. Smith, left last night for Clifton Springs, N. Y., to spend several weeks. Miss Smith is private secretary to Dr. Vardell.

Mrs. C. L. Wilson returned from Richmond yesterday. Her health is much improved from the treatment received at St. Luke's Hospital.

TEACHERS' TRAINING SCHOOL.

East Carolina Institution Crowded for the Summer Session.

(Special Star Correspondence.)

Greenville, N. C., June 12.—The work of the Summer term of the East Carolina Teachers' Training School began yesterday. More than a month ago every possible room at the school had been filled with students who will remain the entire term. From then until the day of the opening applications have continued to come in and now the number is such that both town and school together can not accommodate them.

Others still continue to ask for admission. Up to the day when the school was to open there had been received in the office 464 applications for the one term.

Private homes were kindly and generously thrown open for the entertainment of this overflow and yet there is not room sufficient to meet the demands upon the school. More than 500 teachers would have taken advantage of the splendid opportunities for instruction in this school could they have gotten accommodations. The president, for the past 30 days, has been constantly writing applicants that they could not be received unless they could make arrangements for lodging somewhere else besides in the school. This has kept a number from applying who would have done so had there been any chance to get a room.

The State of North Carolina will not long permit those teachers who are so anxious to make themselves efficient in the school room, to be turned away from its institutions. The schools of the State are now crying out for trained teachers. The State must give these. To do so opportunities for improvement must be given them.

GERMANS ON THE HUDSON.

Naval Visitors Entertain American Guests on Battleships.

New York, June 11.—The German naval visitors scored great successes today entertaining American guests on the warships in the Hudson. All of the ships trimmed their decks with evergreen and beneath canopies of canvas and gay bunting there was music, dancing and refreshment for hundreds who were invited aboard after Mayor Gaynor and his committee had been officially entertained on the Moltke, which was the center of the festivities.

On the after deck of the big cruiser the German officers, including Prince Henry of Reuss, vied in getting American girls to dance with them, while an orchestra under the shadow of the great 12 inch guns furnished the music.

Bombshell and confetti were scattered over the dancing parties, colored tases were shot around to entwine the couples and similar gaiety was rampant on other ships.

Late in the day the German sailors distinguished themselves for the second time during the visit here by quick work in saving a number of passengers from a sinking launch. A boat loaded with 20 women and children rammed the side of the mammoth ship full speed head-on and began to fill. The Germans manned a launch and soon transferred the screaming women and children to a dry boat.

While the entertainment aboard ship was going on 500 of the German sailors took a boat trip to Coney Island.

A private dinner given by Cornelius Vanderbilt to Admiral von Reuber Paschwitz and other officers at the New York Yacht Club was a feature of the entertainment tonight.

The slashed skirt has come to be restricted to evening wear by those of good taste, and proves particularly effective over dainty ruffles of fine lace.

WOMEN, AVOID OPERATIONS

Many Unsuccessful — And Worse Suffering Often Follows. Mrs. Rock's Case A Warning.

The following letter from Mrs. Orville Rock will show how unwise it is for women to submit to the dangers of a surgical operation when often it may be avoided by taking Lydia E. Pinkham's Vegetable Compound. **She was four weeks in the hospital and came home suffering worse than before.**

Here is her own statement.

Paw Paw, Mich.—"Two years ago I suffered very severely with a displacement. I could not be on my feet for a long time. My physician treated me for several months without much relief and at last sent me to Ann Arbor for an operation. I was there four weeks and came home suffering worse than before. My mother advised me to try Lydia E. Pinkham's Vegetable Compound, and I did. Today I am well and strong and do all my own housework. I owe my health to Lydia E. Pinkham's Vegetable Compound and advise my friends who are afflicted with any female complaint to try it."—Mrs. ORVILLE ROCK, R. R. No. 5, Paw Paw, Michigan.

If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound.

For thirty years it has been the standard remedy for women's ills, and has restored the health of thousands of suffering women. Why don't you try it?

Announcement

The firm of Geo. R. French & Sons, by its surviving partner, Geo. R. French, announces to the trade that he has this day admitted to membership in the said firm his nephew, William A. French, who will assume the active management of the firm.

That on and after the fifteenth day of July they will discontinue their Retail Department and devote their entire time to their **Wholesale Department, thus giving the trade the benefit of an exclusive jobbing house in Wilmington.**

That their entire retail stock is for sale either in bulk or by division and any proposition covering same will be considered.

That they desire the services of two first-class traveling salesmen at once.

THE MORNING STAR

Published by the
WILMINGTON STAR COMPANY, INC.,
Wilmington, N. C.

Entered as second-class matter at the postoffice at Wilmington, N. C., under Act of Congress, March 2nd, 1874.

FULL ASSOCIATED PRESS REPORT.

PUBLISHERS' ANNOUNCEMENT.

THE MORNING STAR, the oldest daily newspaper in North Carolina, is published daily except Monday, at $6 per year, $3 for six months, $1.50 for three months, 50 cents for one month, served by carriers in the city, or by mail.

THE SUNDAY STAR, by mail, one year, $1; six months, 50 cents; three months, 25 cents.

ADVERTISING RATES may be had on application, and advertisers may feel assured that through the columns of this paper they may reach all Wilmington, Eastern Carolina and contiguous territory in South Carolina.

Obituary sketches, cards of thanks, communications espousing the cause of a private enterprise or a political candidate, and like matter, will be charged at the rate of 10 cents per line, or if paid cash in advance, a half rate will be allowed. Announcements of fairs, festivals, balls, hops, picnics, society meetings, political meetings, etc., will be charged under same conditions, except so much thereof as may be of news value to readers of the paper.

Advertisements discontinued before expiration of contracts are charged transient rates for time actually published. Payment for transient advertisements must be cash in advance. Contract advertisers will not be allowed to exceed their space at same rates, or advertise anything foreign to their regular business without extra charge. Advertisements to occupy special place will be charged for according to position desired.

TELEPHONES: Business Office, No. 51; Editorial and Local rooms, No. 61. Call either, if the other doesn't answer.

COMMUNICATIONS, unless they contain important news, or discuss briefly and properly subjects of real interest, are not wanted; and if acceptable in every other way, they will invariably be rejected unless the real name of the author accompanies the same, not necessarily for publication, but as a guarantee of good faith.

Thursday, June 13, 1912.

Many a smooth bore thinks he is a big gun.

After all, the big stick lies down for the steam roller.

T. R. says he is the "necessity" of the people. He is the Orozco of opportunity.

What's the use to go to Chicago? The garage of the steam roller is there.

The hat in the ring seems to be crushed between "naked fraud" and "naked thievery."

The man who wept at Napoleon's grave may as well prepare to shed a few tears at his own funeral.

The worst thing about the whole campaign is that there are millions of third term adherents in this country.

"Knocked 'em through the ropes." "Stood 'em on their heads." "Got 'em skinned." "We've soaked it to 'em." Bushwa!

The June brides receive all the adulation and admiration, but it is the lucky June groom who walks away with the bride.

"See the bright side always," advises the Charlotte Observer. Some see it in such a way they always speak in "glittering generalities."

An Ohio candidate filed an expense account of only 25 cents. In all probability he failed to be elected, and will be at a loss to wonder why he got so few votes.

One may love to hear the "voice of the people" but the toot of the steam roller sounds good to the other when the time comes to get to the head of the procession.

Charlotte recently had a manufacturers' exposition and now she is preparing for a trade excursion. The Queen City seems to be setting the pace for Summer boosting.

Congressman McKinley, campaign director for Taft, says Roosevelt's presence at Chicago will help to defeat him. The Colonel is too egotistic to believe anything of the kind.

While the balance of us watch the Republican steam roller at Chicago and observe the tactics of the Democratic leaders at Baltimore, we can appreciate what President Taft said when he declared that this is a government of the people by the representative few.

The Republican party taxes the masses to enrich the classes. The curious part of it is that any of the masses should vote for a party which puts a burden on them for the benefit of those who are amassing millions while the victims are struggling to make both ends meet. The wives of the masses ought to seriously inquire of them what benefit they think they can get out of paying tribute to trusts and tariff beneficiaries.

Colonel Roosevelt, in an article in The Outlook, denounces the action of the National Republican committee in awarding 101 delegates to Taft and adding only one to his colmun. He declares that now "the issue is simply whether or not we shall permit a system of naked fraud, of naked theft from the people, to succeed." Inasmuch as the Colonel declares that he will not bolt if Teddy is nominated, how can he reconcile himself to support what he denounces as a naked fraud and a naked theft? We shall see how much consistency and sincerity there is in a man who virtually denounces wrong and then condones it with his support.

THE SOUTHERN PORT OUTLOOK.

People all over the world are wondering what the ports of the South are going to do with the great commercial opportunity open to them owing to their advantageous nearness to the Panama Canal. The position of our ports is so striking that people everywhere recognize the fact that the opportunity of the South has come. However, it is not a question of advantage, but it is one involving the initiative and commercial prowess of our Southern ports. What are we going to do about it?

Recently a Canadian, who evidently has been considering the opportunities to be had in our Southern ports because they are ocean gateways for canal traffic, wrote to Mayor Behrman, of New Orleans, and earnestly inquired: "What is New Orleans doing to prepare herself for the opening of the Panama Canal, and what does New Orleans expect to realize from the opening of the Canal?" That is the question for New Orleans. It also is the question for the port of Wilmington and for our Southern ports.

The question is not what are New Orleans and Wilmington "going" to do? It is, What are they "doing" to take advantage of their natural commercial position to secure Pacific, Latin American and Oriental trade? Can our ports answer the question? Can they tell what they are "doing" instead of what they propose to do? Are their commerce simply because they be content to answer that there is nothing doing, but simply that Southern ports expect a great increase in the commerce simply because they happen to be nearer the canal and the trade it will open up than all other American ports.

What kind of answer could Wilmington make if the Canadian were to fire the New Orleans question at her? We do not know how the New Orleans mayor is going to answer the Canadian inquirer, but we have ourself noticed that New Orleans is doing something to "prepare herself for the opening of the Panama Canal." New Orleans has built extensive modern piers and they have long ago been finished and ready for traffic. New Orleans has revolutionized her dock system and has surrounded the city with a belt railroad for the purpose of handling traffic and taking care of the industrial development that will be incidental to a growth of commerce. The Pelican City has done well in that particular, but not content with those necessary preparations to handle commerce that may be brought to New Orleans or that may originate at that important Gulf port, the Progressive Union of the Gulf metropolis has promoted what is known as the Mississippi Valley, South America & Orient Steamship Company, shorted into the "Pan-American Mail". In short, New Orleans has organized a steamship company, and some time this month the first steamer will leave with a cargo for South America. She will return to New Orleans with a cargo of South American products, carrying out the economical idea that a fair exchange will create commerce and that transportation rates will be cheaper when a ship carries a cargo out and brings another in.

New Orleans does not seem to be waiting for the Panama Canal to be completed. She is ready and waiting on the canal. Meanwhile she is going to do some commerce while she is waiting for the nearer route by the Isthmian waterway. This shows that New Orleans has business initiative and commercial prowess. She will do business because she has known how to take advantage of her fine opportunity and has had faith enough in the possibilities of the future to prepare herself for a business that is assured from every standpoint.

New Orleans will be the ocean gateway for the great Mississippi Valley country, and what she will be for that great territory, Wilmington should be for a great South Atlantic and Middle West territory. Wilmington already has exported two cargoes of pig iron to the west coast of South America. The metal came from the Alabama furnaces, a fact significant of the far reach of an ocean gateway in attracting commerce from the distant interior. The possibilities are here for a large export and import business for interior cities, and we should take the hint and get ready for it.

MEANS OF COUNTRY DEVELOPMENT.

Rockingham county has voted a half million dollars in bonds for the construction of good roads. No one need tell us that a public spirited and live people constitute the population of that splendid North Carolina county. Their action in behalf of improved highways is all the proof we need of that. Moreover, it is the strongest indication that Rockingham is a county of resources and opportunities. It requires these to make a good roads system desirable and necessary. If the county has the resources and possibilities, which it is quite evident it possesses, there is no better way to develop them than by a net work of modern highways.

Rural highways come next to railroads as transportation factors in the development of a county. Indeed, good roads are the necessary adjunct of railways to get a complete realization of the potentialities of any region. Whatever those resources are, whether they are agricultural, mineral or industrial, railroads alone will not so completely achieve results as will railroads and good roads combined. The further away the railroads are the more imperative are modern rural highways to provide the easy and economic transportation that will make a county desirable for agricultural and all other kinds of development. Fancy a homeseeker going into an inaccessible region! Not much. They go where there is good railway service and rural highways for reaching the markets of the country.

Rockingham county must possess the positive potentialities that have so inspired the confidence of her citizens that they are willing to expend $500,000 to cover the county with good roads. If the county has the resources, good roads surely will develop them as nothing else will. In that respect modern highways are an investment and no county which has the resources can afford not to make that investment.

If your county is a county of resources and possibilities, that is all the argument that is needed to spend money in constructing highways. If there is anything in a county it becomes necessary to build good roads to make available whatever resources it has. If it has any, build roads. If it has none, don't build them.

Eastern North Carolina has many counties with matchless resources and immense possibilities. They cannot afford not to build roads and assure a development that will be rapid in proportion to the number of roads that will reach into all portions of a county where old settlements can be aided and where new settlements will be the sure result.

PARTY LOYALTY.

With all due recognition of the justice of Governor Kitchin's claim of the right to criticize the public record of Senator Simmons, which is perfectly meet and proper, does he not rather lay his own party fealty open to question in the rather veiled and vitriolic statement, which he issued to the press of the State last Sunday morning, following the action of the State Convention in Raleigh, endorsing Democratic Senators and Representatives in Washington and his own administration in the State?

To our minds, whether intentional or otherwise, the Governor has made in this statement an unjustified attack upon the party and upon the party platform and declarations which we cannot altogether reconcile with his former boasted zeal for party regularity and party devotion. We hold no brief for Senator Simmons, but as a Democrat, we deplore the tendency towards an unnecessary fight within our own ranks, and we are constrained to believe that the Governor's utter disregard of the platform of a great party which has thrice honored him with a commission as a representative in Congress and more recently by his elevation to the highest office within the gift of the people of the State, will be resented at the polls.

The Governor's references to a "packed" convention, "controlled by politicians" and his appeal to the voters of the State to set at naught the action of the supreme authority of his party in the State, are decidedly out of place, ill-considered, and lays him open to the question of whether he is really running on the platform of the party which has so signally honored him and his during all these many years, or whether he has adopted the tactics of the now famous third-termer by declaring himself greater than his party and its platform and making his personal aspirations paramount to the integrity of the party in the State? We believe the Governor's second, sober thought will give him pause in this most important consideration of the party in the State.

CURRENT COMMENT.

E. J. Watson, president of the Southern Cotton Congress, is authority for the statement that the acreage of cotton in the Southern States is reduced over 6,000,000 acres, and the result is credited to the extensive advocation of the "Rock Hill plan" inaugurated by John G. Anderson, of Rock Hill, S. C. Mr. Watson makes the prediction that the crop this year will be reduced 2,500,000 bales.—Charlotte Observer.

The naming of Colorado's delegates for Taft by high-handed foul play, led by the Guggenheim-Evans Denver gang, was a performance utterly without color of law or justice. But even it was surpassed in illegality by the riot and turmuit which gave to the administration forces their credentials in Michigan. The view of the National committee of the Detroit indecency will be a good indication of their view of right and law.—Philadelphia North American (Prog. Rep.)

To our mind the policy of the administration in regard to Mexico and Cuba has been tactful and farsighted. We do not wish to make light of, still less to attack, the sovereignty of any of the nations to the south of us. We do not wish to expand our borders by the fraction of an inch at their expense, and we wish to persuade them of that fact. Therefore, it is to be hoped that if the movement of marines be a step toward annexation it will also be the last step.—Baltimore Sun.

Move on Now!

says a policeman to a street crowd, and whacks heads if it don't. "Move on now," says the big, harsh mineral pills to bowel congestion and suffering follows. Dr. King's New Life Pills don't bulldoze the bowels. They gently persuade them to right action, and health follows. 25c at R. R. Bellamy.

DEADLOCK PROBABLE.

Congress Will Fight Over Repealing Reciprocity Law.

Washington, June 12.—A deadlock between both houses of Congress over the Senate's proposal to repeal the Canadian reciprocity law was foreshadowed when the Senate today by a vote of 33 to 27 refused to recede from its amendment to the iron and steel tariff revision bill embodying the repeal provision.

Senator Simmons made the motion that the Senate recede from its amendment and provoked a lively debate which ended with the Senate's decision to stand on its action. Mr. Simmons and Senators Penrose and Lodge were named as conferees to meet representatives of the House. The House already had accepted all the Senate's amendments to the metal bill with the exception of the one to repeal the reciprocity act.

Senator Johnson, of Maine, who had previously voted for the amendment, announced his decision to change his vote because he said he was satisfied it had been introduced for political purposes.

Senator Gronna, the original proposer of the repeal amendment, disavowed any bad faith and read a letter from a constituent who wrote that "President Taft had killed himself politically by negotiating the treaty," and that he "had been requested to support Champ Clark, but found it difficult to do so in view of the fact that he (Clark) was not only for reciprocity, but for annexation of all outdoors."

Some of the writer's references to President Taft were so personal that Senators Gallinger and Heyburn objected to their reproduction in the record. One of the sentences objected to was to the effect that the President "had fixed Congress for reciprocity."

Sessions at Raleigh Adjourn—Committees Appointed—Burlington

(Special Star Correspondence.)

Raleigh, N. C., June 12.—The North Carolina Building and Loan League today selected Burlington as the place for the next meeting, re-elected E. L. Keesler, Charlotte, president; G. A. Follin, of Winston-Salem, and R. A. Nunn, Newbern, vice presidents, and elected J. R. Pharr, Charlotte, secretary-treasurer, to succeed J. M. Hendrix, Concord, who would not accept renomination.

As members of the executive committee, L. Harrell, Statesville; J. W. Gulledge, Wadesboro; W. E. Sharpe, Burlington; R. A. Nunn, Newbern and A. L. Smith, Charlotte, were re-elected. The president was directed to appoint the delegates to the National convention at Atlantic City July 10-11, he to head the delegation which is to include J. P. Cook, Concord; W. C. Erwin, Morganton.

The league provided for the standing committee of legislation to be provided with a limited amount of money for expenses in urging upon the next Legislature legislation that is desired for the upbuilding of the building and loan work.

There were addresses this morning by R. A. Nunn, of Newbern, on "The Relation of Stock and Mortgage Loans"; by R. E. Cochrane, on "Building and Loan Extension"; and by Gen. A. L. Smith, on "The Duties of the Director." There were many profitable informal discussions of these and other topics, including the advisability of requiring borrowers of B. & L. funds to carry wind and tornado insurance as well as fire insurance. No action was taken.

MONUMENT TO ALEXANDER

Unveiled Yesterday With Appropriate Ceremonies at Moscow

Moscow, June 12.—A monument to Alexander III, was unveiled today by the Emperor in the presence of two score members of the ruling family and deputations from Bulgaria, Servia and all parts of Russia. Seventy-five wreaths were laid at the base of the monument.

The event was one of the most brilliant in the reign of Nicholas II. Thirty regiments took part in the march along the Moscow river while hundreds of thousands of Muscovites massed at points of vantage and cheered heartily.

Boston, June 12.—Cars run on all surface, elevated and tunnel lines of the Boston elevated railway today on normal schedule, according to the company, but on far less satisfactory time than on previous days, without the co-operation of the employes who struck six days ago for a minimum wage and recognition of the union. For the first time since the strike began cars were operated between midnight and sunrise.

Lexington, Va., June 12.—Washington and Lee University today conferred the following degrees: Doctor of Laws, Dr. Thomas A. Archer, Baltimore, Md.; Judge Archer A. Phelegar, Bristol, Va.; Doctor of Letters, Gaillard Hunt, Washington, D. C.; Gamaliel Bradford, Wellesley Hills, Mass.; Doctor of Divinity, Rev. Henry W. Myers, Kobe, Japan.

Doctor Tells How to Shed Bad Complexion

We cannot restore degenerated facial tissue any more than we can restore a lost limb. It is useless to attempt to convert a worn-out complexion into a new one. The rational procedure is to remove the complexion instead—remove the devitalized cuticle. Not by surgical means, however, as the underlying cutis is too thin, too tender, to withstand immediate exposure. Applying ordinary mercolized wax will gradually absorb the offending cuticle. By degrees, a new, youthful skin appears; a skin soft and delicately tinted as a rose petal.

No lady need hesitate to try this. Procure an ounce of mercolized wax of the druggist. Spread on a thin layer before retiring, removing this in the morning with soap and water. In from one to two weeks the complexion is completely transformed.

An approved treatment for wrinkles is provided by dissolving an ounce of powdered saxolite in a half pint witch hazel. Bathing the face in the solution brings prompt results.—Dr. Rupert Mackenzie in Popular Medicine.

S.S.S. CURES OLD SORES

If an old sore existed simply because the flesh was diseased at that particular spot, it would be an easy matter to apply some remedy directly to the place that would kill the germs; or the diseased flesh might be removed by a surgical operation and a cure effected. But the very fact that old sores resist every form of local or external treatment, and even return after being cut away, shows that back of them is a morbid cause which must be removed before a cure can result. Just as long as the pollution continues in the blood, the ulcer remains an open cesspool for the deposit of impurities which the circulation throws off. S. S. S. cures Old Sores by purifying the blood. It removes every trace of impurity and taint from the circulation, and thus completely does away with the cause. When S. S. S. has cleansed the blood, the sore begins to heal, and it is not a surface cure, but the healing process begins at the bottom; soon the discharge ceases, the inflammation leaves, and the place fills in with firm, healthy flesh. Under the purifying and tonic effects of S. S. S. the system is built up, and those whose health has been impaired by the drain and worry of an old sore will be doubly benefited by its use. Book on Sores and Ulcers and any medical advice free to all who write.

Good Meals at Camp Comfort

The boys at Camp Comfort are using the same stove that they had last year. It was the best they could get. It was a

New Perfection WICK BLUE FLAME Oil Cook-stove

This year they got a New Perfection Oven
Also a New Perfection Toaster
Also a New Perfection Broiler

"Gee, what a difference in the meals a good stove makes," said one of the boys. So they called their shack "Camp Comfort." And they will tell their mothers and wives about the stove, too. For the New Perfection Oil Cook-stove is as convenient for the home as for the camp. It will bake, broil, roast and toast as well as a regular coal range.

The New Perfection Stove is handsomely finished in nickel, with cabinet top, drop shelves, towel racks, etc. Long chimneys, enameled turquoise-blue. Made with 1, 2 or 3 burners. All dealers. Free Cook-Book with every stove. Cook-Book also given to anyone sending 5 cents to cover mailing cost.

PURCHASE IMPORTANT LINK

Syndicate Composed of Well-known Local Capitalists Acquire Wilmington, Brunswick & Southern Railroad

The Wilmington, Brunswick & Southern Railroad, extending from Navassa, near this city, to deep water at Southport, and sonstituting what is certain to be an important link in any railway development between Wilmington and the West, has been purchased by a syndicate composed of well-known North Carolina business men who announce that the property is to be immediately improved and a first-class freight and passenger service is to be inaugurated at the earliest possible moment.

Negotiations for the purchase of the property are understood to have been pending for some weeks and that the deal had been consummated was announced yesterday in connection with the annual meeting of the company held in this city. The syndicate which makes the purchase is composed of Messrs. M. J. Corbett, H. C. McQueen, J. A. Springer, Z. W. Whitehead, Oscar Pearsall, Walker Taylor, John W. Brooks, C. E. Taylor, M. W. Divine and a few other associates, some of whom have been identified with the company since its organization and others who have just become interested. These gentlemen named above at a re-organization of the company were yesterday elected directors with officers as follows:

President—M. J. Corbett, of Wilmington.

Vice President—John F. McNair, of Laurinburg.

Vice President—Z. W. Whitehead, of Wilmington.

Secretary and Treasurer—H. C. McQueen, of Wilmington.

It is announced as the purpose of the new management to fully equip the road for passenger and freight service and to encourage in every way the development of the splendid territory through which it passes. The road, as will be seen, is a local enterprise and the re-organization of the company with the gentlemen named in its active charge, means a big thing for Brunswick county and Southport.

Mr. Whitehead, the builder of the road, retains an interest in the new company and is elected a vice president, but will retire from the active management and direction of the company's affairs.

It is a well-known fact that the Wilmington, Brunswick & Southern Railroad penetrates a new and undeveloped territory, rich in resources and wonderful in possibilities. The new owners feel that they have in their control a piece of property that will early become one of the finest and most profitable links of railroad in the State. Southport is destined to figure prominently in the coming cities along the South Atlantic seaboard and co-incident with the completion and opening of the Panama canal some wonderful strides are expected to be recorded in the development and prosperity in the ocean city of the Old North State. Indeed, that city is to be congratulated upon having interested in the future welfare of that place such prominent and successful business men as constitute the official family and board of directors of the re-organized Wilmington, Brunswick & Southern.

SCHOONER ON RAILWAY.

The Stephen G. Loud Hauled Up Yesterday to be Repaired.

The schooner Stephen G. Loud, which was brought into port last Winter in a disabled condition, was yesterday morning hauled out on the Wilmington marine railway, on the west side of the river, where the necessary repairs will be made. The schooner is of 409 tons burden and it was hauled out with no trouble, showing what the latest addition to the port facilities for handling disabled vessels is capable of doing.

The Stephen G. Loud was picked up at sea by the revenue cutter Yamacraw during one of the severe gales of the past Winter and was towed into Southport. It was later towed to this port and purchased from the owners by Mr. F. W. McCulloch, of Norfolk, who had the cargo of lumber discharged.

Mr. McCulloch will arrive this morning to look over the schooner and decide what repairs are necessary. It is thought they will not be very extensive, as the vessel is in fairly good shape. It was in a leaky condition when towed here and that is probably the extent of the schooner's damages. Two days will in all probability be all the time required to put the Stephen G. Loud in shape.

The Charlotte Excursion

The Charlotte Chronicle says: "The excursion to Wilmington and Wrightsville Beach to be operated by the 10th Avenue and Pritchard Memorial churches, promises to be a great pleasure trip. Already, a great number of parties are being formed to take advantage of the unique plan of reserved seat feature, which allows friends, families or groups of families to choose their own seats from the diagram of car plan on exhibition at Woodall & Sheppard's, thus securing congenial companionship and preventing crowding. The reserved seat car A, the rear one, will go on sale at Woodall & Sheppard's drug store, Monday, June 17th. There will be no extra charges for reserved seats if bought prior to 8 P. M., June 22nd. The round trip will be $3.50. The train will leave Charlotte at 8:30 Wednesday, June 26th, and returning will leave Wilmington Friday, June 28th, at 9:30 A. M., thus giving daylight trip both ways. The net proceeds from sale of tickets will go to the fund for building the new Presbyterian hospital."

St. John's Lodge Elects.

At the regular meeting Tuesday night St. John's Lodge, No. 1, A. F. & A. M., elected officers for the ensuing year as follows: Worshipful Master, Dr. J. C. Wessell; Senior Warden, Dr. C. H. Gardner; Junior Warden, S. R. Keyes; Secretary, A. S. Holden; Treasurer, S. R. Highsmith. It is likely that there will be a joint installation of officers of the local Masonic lodges.

Souvenir Dance Tonight

Souvenir dance at Lumina tonight. **

MR. J. S. RAMOS LEAVES

Tenders Resignation As Magistrate And Goes to New York

Announcing that he had accepted a lucrative position in New York city, for which place he is said to have left a few minutes later, Mr. John Spruell Ramos, who has been in the limelight locally for the past two or three years, yesterday afternoon hurried into the office of the Clerk of the Superior Court and tendered his resignation as a justice of the peace of New Hanover county, to which office he was appointed by Governor W. W. Kitchin only about two weeks ago, since which time things have been happening with such rapidity that there doubtless were moments when he wondered what was coming next.

Mr. Ramos' troubles began soon after the announcement of his appointment as magistrate by Governor Kitchin. He indicted Magistrate G. W. Bornemann for libel, alleging that he made libellous and slanderous remarks to the effect that he (Ramos) was not fit to be a magistrate. Just after the hearing which was before Justice George Harriss, was concluded there was a personal encounter between Magistrates Bornemann and Ramos. Both were arrested and later were required to pay the costs. The libel action was dismissed.

The real cause of his resignation is believed to have been his connection with the indictment of a number of women of ill-fame last Saturday night on a charge of keeping bawdy houses. When the prosecuting witness failed to appear Monday Justice Ramos dismissed the cases at the cost of the prosecution. The prosecutor was not to be found, so it is said, but the officers' costs were paid by the magistrate on Tuesday. It is reported that Justice Harriss had threatened to institute ad testificandum proceedings to ascertain whether or not the women themselves were not made to pay the costs in the cases. It is stated that the proposition was put to him that he must resign or the ad testificandum proceedings would be started, the papers in which had already been drawn. He chose to resign. The point that would have been raised, it is said, is that the indictment brought against the women is one in which a magistrate could not take jurisdiction and that if the women were made to pay the costs it would have been illegal.

GIVES HIMSELF UP.

Negro Charged With Larceny of Money From Ice Company.

Lisbon Milton, alias Lisbon Noble, colored, wanted on a charge of the larceny of about $130 from the Independent Ice Company, walked into police headquarters last night accompanied by his father and gave himself up. In default of $150 bond he was locked up for the night and will be given hearing in the Recorder's court this morning.

It will be remembered that Milton was given a sack containing something over $130 in cash and checks amounting to about $60 at the plant of the Independent Ice Company about a week ago to carry to the office of the Central Ice Company. The ice company alleges that he never showed up and they reported the matter to the police on the day following. Milton, however, could not be located. The checks that were in the sack were found in Racket Store alley Tuesday and were returned to the Central Ice Company.

The negro told the police that he put the money in a box in the Central Ice Company offices, where it was always customary to put it, and that he left town the next day for Goldsboro, where he had been offered a job. He said that a man whose name he did not know had given him the money to go to Goldsboro. Milton declared that he had only a few days ago heard that he was wanted here and had come back as soon as possible to give himself up.

EARTHQUAKE FELT HERE.

Three Distinct Shocks Which Caused Houses to Shake.

In common with a number of other cities in the South, Wilmington experienced an earthquake yesterday morning about 5:30 o'clock. There were three shocks, one right after the other, and each was distinct. A number of persons who were up at that hour told of the earth's tremor and a number of others were awakened by the shocks. One prominent citizen told a Star representative last night that he was sound asleep when arcused by the first shock. The second shock came pretty quickly and by that time he was wide awake and able to judge of the third shock, which followed closely. As far as he was able to judge each shock lasted for several seconds. The tremor appeared to be from east to west. A number of persons told of small articles trembling and several said that their houses shook.

Cotton Nipped by Frost.

Yesterday afternoon's Fayetteville Observer says: "Mr. J. B. Hatcher, clerk in Mr. D. H. Jones' store at Victory Mill, showed us this morning a number of cotton plants which had plainly been killed by some cause that wilted and discolored them, just as frost does. Mr. Hatcher says that a gentleman living near Victory village carried the plants to the store and said they were killed by a slight frost which fell Saturday night last."

Closing Out Shoe Sale.

Elsewhere in today's paper will be found an announcement of interest to the shoe-buying public of Wilmington. Messrs. George R. French & Sons, who will close the retail department of their store on July 15th, have inaugurated a sale of their stock at cost until the change in their business to an exclusive jobbing house is made. Some rare bargains in standard shoes are offered.

COUNCIL DECLINES PETITION

Refuses to Grant Privilege for Tidewater Power Co., to Erect Shelter Over Sidewalk and to Put In Another Switch

Advised by the city attorney that the city had not the legal right to grant either privilege and that to do so might involve the municipality to a greater extent that then appeared, the City Council in regular weekly session yesterday morning declined to take any action on a petition of Princess street property owners asking that the Tidewater Power Co., be granted permission to erect a shelter over the sidewalk on the south side of Princess street ,east of Front, for a distance of 75 feet, and to put in a cross-over or switch connecting its main tracks on Princess, between Front and Second.

Championed by Councilman B. C. Moore, in charge of the Department of Public Safety, who could see no objection to granting the privileges, especially as they would be for the accommodation of the beach-going public and visitors, it was at first thought that probably the first and possibly the second request would be granted. But after the opinion of the city attorney as to the legal phase of the propositions the Councilmen, except Mr. Moore, were very emphatic in their declaration against granting the privileges. Councilman B. C. Moore said that if the property owners were willing to have the awning or shelter erected over the sidewalk he did not see why Council should object, as permits for similar privileges are granted all over the city. When it had been practically decided not to grant the permit for the awning he pointed out to Council that there could certainly be no objection to a cross-over or switch between the main tracks between Front and Second streets. However, City Attorney McClammy ruled against this proposition also and no action was taken on either request in the petition.

Mayor Thos. H. Wright, of Wrightsville Beach, presented the petition of the property owners. The petition, it is thought, came as a result of a rumor to the effect that the Tidewater Power Company contemplated the removal of its tracks from Princess street to Market street, where better facilities in the way of accommodating its patrons could be had, and it was with a view of keeping the tracks on Princess street that the property owners so readily signed the petition for the shelter and cross-over. The two requests in the petition were contained in the following paragraphs taken from the document:

"Permission to erect on south side of Princess street, the width of the sidewalk and extending 75 feet east from the east property line of Front street, a temporary shelter of corrugated iron to be replaced when this corner is improved by one of re-inforced glass steel frame work.

"Permission to install a cross-over or switch between the main tracks on Princess street, 160 feet east of the east property line of Front street."

Mayor Smith, who has the right to grant permits for awnings, remarked to Mayor Wright that he would not grant a permit to the Tidewater Power Co., to put up an awning over the sidewalk and adjoining the building owned and occupied by others, but that he would grant Shrier & Solomon, which firm occupies the corner building, a permit for an awning, like he would any other firm, should application be made.

City Attorney McClammy said that the granting of the first request would be tantamount to giving the Tidewater Power Co., a depot and giving it the streets at that place for this purpose. He declared that the city had no right to grant the privilege. Later on in the discussion he mentioned the fact that should there be an awning or shelter erected at the point suggested that the sidewalk at that point would very likely be so congested that as to interfere with the rights of pedestrians and would require the services of a police officer to keep the walkway clear.

Councilman Perdew said that he would favor giving the company privilege for a subway station at some point near the corner. He said that he felt very favorable toward the Tidewater Power Co., but could not vote to grant the requests made in the petition. While not taking any leading part in the discussion it was evident that Councilmen P. Q. Moore and Tiencken did not favor granting the requests. It was remarked by several at the meeting that the Tidewater Power Company ought to provide a waiting room with all convenieces at its terminal at corner of Front and Princess street. Mention was made of the fact that Columbia, S. C., which has only a city street car service, has a depot of this kind on one of the principal corners in the city.

Whether or not there was any truth in the report that the Tidewater Power Co., contemplated removals of its tracks to Market street, it is a pretty safe bet that Council would not grant such a franchise.

A communication was read by Mr. E. T. Taylor calling attention of the body to the early hour at night at which the sanitary work is begun. He gave an instance of work having begun before 10 P. M., and referred to the offensive odor. He suggested that during the Summer months the work not be started until 12 or 1 o'clock at night. Councilman Tiencken spoke of an instance where work was begun at 9:45 P. M. Similar complaints have been received from every section of the city. The early hour at which this work is begun is especially objectionable during the Summer months. The ordinance regulating the work permits it to be started as early as 9:30 P. M. While the ordinance was not changed, it was the sense of the meeting that except under certain circumstances that the health department not begin this work before 12 or 1 o'clock and Dr. Chas. T. Nesbitt, city superintendent of health, was notified of this. Dr. Nesbitt said that since only one trip can now be made to the dumping grounds each night that 12 or 1 o'clock would be just as acceptable as an earlier hour.

A batch of applications for restaurant and soft drink licenses came over from the helith department, where they had been for a week while the sanitary police were making an inspection of the premises of the applicants as to the sanitary conditions for the guidance of Council. A number were disapproved by Councilman Moore, of the Department of Public Safety, on sanitary grounds, and in the list were several applicants for renewal of license. It was decided that in case of renewal that the license be granted subject to revocation if sanitary conditions of the premises are not remedied in a certain number of days. This does not apply to new applicants whose premises have been found to be unsatisfactory from a sanitary standpoint. A number of applications for license, for restaurant and soft drink stands, approved by Councilman B. C. Moore, were passed without even being read, as is the usual custom.

Attention was called to the law relative to excavations, requiring a permit from the Mayor in the Winter and a permit from the Mayor and the superintendent of health in the Summer, and it was stated that this works a hardship on a person who only wants to set out some trees or dig post holes. Dr. Nesbitt said that he thought the ordinance in its entirety should be repealed. Councilman B. C. Moore did not favor this. Then it was suggested by Dr. Nesbitt that permits only be required for excavations of over five cubic yards. It was decided to "think over" the proposition and probably take some action at the next regular meeting.

A communication was read from ex-Alderman J. B. Fales with reference to the requirement of the Streets and Wharves Department that all closets be removed from the wharf at the market house. He asked that the owners be allowed to rebuild. No action was taken. This brought up the question, often discussed by city officials but never acted upon, of providing such conveniences for the general public, especially the excursionists who come to this city every Summer. As usual no action was taken. Councilmen Tiencken and P. Q. Moore remarked, in this connection, that a recreation pier at the foot of Princess street, as was spoken of a few months ago, would have been a splendid thing for the city.

The meeting lasted only a little over an hour. Mayor Smith presided with all members present, also Capt. Thos. D. Meares, city clerk and treasurer; City Attorney McClammy, and Dr. Chas. T. Nesbitt, city superintendent of health.

OPENING GAME TODAY.

Second Series in Sunday School Baseball League Race Begin.

The Sunday School Baseball League will open its second series of games at Hilton Park this afternoon with a game between the Episcopalians and St. Andrew's Presbyterian. The Fifth Street Methodist, (Capt. LeGwin), won the championship in the first series of games by defeating the Presbyterians in a hard fought game which resulted in a score of 7 to 6. The admission to the grandstand and grounds will be free, and a large crowd is expected to attend. The game will be called at 3:30 promptly.

Schedule—June 13th, Episcopalians and St. Andrew's; June 14th, Presbyterians and Fifth Street Methodist; June 20th, Presbyterians and St. Andrew's; June 21st, Episcopalians and Fifth Street Methodist; June 27th, St. Andrew's and Fifth Street Methodist; June 28th, Presbyterians and Episcopalians.

NEW OFFICIALS ELECTED.

Cape Fear Tent, Knights of Maccabees, in Fine Condition.

At the reguler meeting last night of Cape Fear Tent, No. 15, Knights of the Maccabees of the World, officers were elected for the ensuing term as follows: Commander, M. H. Brimmer; Lieutenant Commander, Ed Register; Record Keeper, W. W. DuRant; Chaplain, W. C. Benson; Sergeant, A. T. Harriss; Physician, Dr. Ernest S. Bulluck; Master at Arms, L. A. Bangle; First Master of Guard, Percy Vaughn; Second Master of Guard, B. O'Neill; Sentinel, Roy Bishop; Picket, J. C. McAllister; Organist, E. A. Chadwick; Degree Captain, Geo. W. Hewlett. The tent is in a flourishing condition and 18 applications for membership were received last night. State Commander Geo. C. Morton is spending some time here and was at the meeting last night.

BACK FROM RICHMOND.

General Manager of Ice Company Inspects Plants—Architects.

Mr. L. H. Simmons, general manager of the Independent Ice Co., has just returned from Richmond, Va., where he spent several days inspecting the large and modern cold storage plant there, with a view of adopting the most modern and up-to-date methods in the construction of the plant which his company will establish here. Mr. Simmons was shown every courtesy by the Richmond management and was accompanied by Architect Jos. F. Leitner, who continued his trip to Washington to consult with leading cold storage engineers and see the extensive plants in that city. Mr. Leitner will return to the city today and it is expected that the plans for the new plant in this city will be completed without delay.

In Toils of the Law Again

A. Carson, one of the Carson brothers recently tried in the Recorder's court for disposing of mortgaged property, towit, an automobile belonging to Mr. J. O. Brock, was before Justice Harriss yesterday to answer a charge of disposing of mortgaged property, towit, a stove, purchased from the Hopkins Furniture Company and alleged to have been sold to a second-hand furniture store only a few days ago and since the transaction for which he was tried and convicted in the Recorder's court. Probable cause was found and Carson was bound over to the Recorder's court for trial today. In default of $50 bond he went to jail. The two Carsons were fined $50 each and costs in the automobile case and in default of the amount went to jail, where they remained several days, but finally, upon some adjustment of the matter, were released.

CONGRESSIONAL PRIMARY.

Will be Held in Sixth District Next Tuesday Afternoon.

The next feature of political interest locally will be the Congressional Primary in the Sixth District, which will be held on next Tuesday, June 18th, from 12 o'clock noon to 7 o'clock in the evening. At the primary a Congressman will be nominated as between the two candidates, Hon. H. L. Godwin, of Harnett, and Hon. N. A. Sinclair, of Cumberland, while at the same time voters will also choose one member of the Congressional Executive Committee in the respective counties. Thus far not a great deal of interest has been manifested in the primary, but interest is expected to warm up in the district as the date for the primary approaches.

The Recorder's Court.

Recorder Furlong yesterday announced judgment in the case against Jean Potter, a young white man, tried Tuesday on a charge of exceeding the automobile speed limit, taxing the defendant with the costs. Notice of appeal to Superior Court was given. There were only a few cases for consideration yesterday morning and none was of any special interest. Anie McDonald, colored, was taxed the costs for disorderly conduct, and a similar entry was made in a case against Annie May for assault on Ida Garriss, colored. One drunk contributed the usual amount.

Mr. Isaac Morton Dead

Mr. Isaac Morton, a well-known farmer, of Jacksonville, Onslow county, died at the James Walker Memorial Hospital, where he had been undergoing treatment, yesterday morning at an early hour. The deceased was about 60 years of age and is survived by his widow and several children. The remains were carried to Jacksonville yesterday afternoon on the 3:35 train, and the funeral will be held there today.

MR. NORTHAM TO RETURN.

Will Have Charge of Book and Stationery Department Here.

Mr. James A. Northam has returned from Asheville, N. C., and within the next few days will resume his former position with Mr. R. C. DeRosset as manager of the book and stationery department. Mr. Northam was previously connected with the book and stationery business of Mr. R. C. DeRosset for 14 years before leaving recently for Asheville where he was manager for Hackney & Moae Company, stationers of the mountain metropolis. Mr. Northam is one of the most popular young business men who has ever gone out from Wilmington and it is a source of real pleasure for his many friends to know that he is to return to Wilmington.

Appointed a Magistrate

Mr. B. F. King, Jr., a popular member of the real estate force of Messrs. D. R. Foster & Co., was yesterday appointed a magistrate of the county and has qualified before the Clerk of Superior Court. Mr. King was appointed to fill a vacancy occurring yesterday and while he will not be active in the administration of his judicial functions, he will find the appointment of benefit to him in the conduct of his business.

Ends Hunt for Rich Girl.

Often the hunt for a rich wife ends when the man meets a woman that uses Electric Bitters. Her strong nerves tell in a bright brain and even temper. Her peach-bloom complexion and ruby lips result from her pure blood; her bright eyes from restful sleep; her elastic step from firm, free muscles, all telling of the health and strenth Electric Bitters give a woman, and the freedom from indigestion, backache, headache, fainting and dizzy spells they promote. Everywhere they are woman's favorite remedy. If weak or ailing try them. 50c at R. R. Bellamy.

MR. RAYMOND KENNEDY DEAD

Pased Away Yesterday Morning at James Walker Memorial Hospital

Friends were deeply grieved to learn of the death of Mr. Raymond Kennedy, which occurred at the James Walker Memorial Hospital yesterday morning, following an illness of several months. Mr. Kennedy was about 50 years of age and had no relatives in Wilmington. He was formerly a well-known commission man, and had many friends and acquaintances throughout the trucking section of eastern North Carolina. Several months ago, on the day of his arrival in Wilmington from a trip abroad, he suffered a stroke of paralysis and was carried to the James Walker Memorial Hospital. For a time he improved, but of late his condition has been gradually growing worse and the end was not unexpected.

His remains were removed to the undertaking establishment of Mr. W. E. Yopp, on Princess street, and the funeral will be held from there this morning at 11 o'clock. Rev. Dr. A. D. McClure will conduct the services.

Pound of Solid Flesh Daily

Money Positively Refunded if This Scientific Treatment Fails To Do All That Is Claimed For It.

SAMOSE, a Concentrated Flesh Forming Food, the Only Remedy Known for Thinness—Builds Up the Thin and Weak, Brings Back the Rosy Blush of Health to Pale Cheeks, Rounds Out the Scrawny Form and Gives the Beauty Lines of Plumpness.

TO PALE, THIN PEOPLE.

Offer to Pay for Samose if It Does Not Make Thin Folks Fat.

Pale, thin people are simply suffering from want of nourishment. They may eat enough, but their food is not properly digested, and does them no good.

Samose, the remarkable flesh-forming food, should be used by all who are pale, weak and thin. It mingles with the food and aids assimilation, so that when taken for a short time Nature will soon assert her normal powers and the food that is eaten will give strength and good flesh.

Weigh yourself before you commence the use of Samose, and you will notice a steady gain. Samose is a scientific flesh-forming food that restores the thin and scrawny to their proper weight, and fills the weak and debilitated with vigor and vitality.

The woman who longs for rosy cheeks and the plumpness of beauty should use Samose. The man who wants to be strong and well and gain health and good flesh will find his desires accomplished by Samose.

Such remarkable results have followed the use of Samose that J. Hicks Bunting Drug Co. is willing to pay for the treatment if it does not give the desired results. They make this offer generally and want all who are weak, thin or out of health to get a box of Samose on these terms.

THE FATNESS OF HEALTH.

Samose Fills Out the Curves and Makes Thin People Fat.

If you are thin your health is not what it should be. If you are losing weight steadily, there is something wrong that should be attended to at once. You cannot be healthy and strong if you are thin.

Perfect health and good, solid, beautiful flesh can only come through the use of Samose, the remarkable flesh forming food.

This makes the thin and scrawny plump and robust; it mixes with the food so that all of the elements that make solid bone, firm muscle and good flesh are thoroughly assimilated and retained in the system.

Samose is not a drug or stimulant, it is a scientific flesh forming food that restores thin people to a normal condition of good, healthy flesh.

There are thousands of unhappy, nervous, thin people who would look and feel entirely different if they were only fat and plump. Let them use Samose and they will soon notice remarkable results.

These statements are confirmed by J. Hicks Bunting Drug Co.'s offer to refund the money to any one buying and using Samose, who does not gain in weight as promised. The risk is all theirs. The thin and scrawny can buy Samose at J. Hicks Bunting Drug Co.'s store with the knowledge that if it is not successful it will cost absolutely nothing.

A LIBERAL OFFER.

Any One Can Try Samose, the Remarkable Flesh Forming Food.

When one of the leading drug stores in Wilmington tells you that they have a preparation on which they will refund your money if it does not do all that is claimed for it, shows that the article must have unusual merits. It is in this way that J. Hicks Bunting Drug Co. sells Samose, the remarkable flesh forming food.

This great discovery is destined to work a great revolution in treating the thin, the weak and the sick. There can be no doubt that it helps people who are weak and sickly, who are tired and who have poor digestion, restoring them quickly to health and strength, and increasing the weight so that life is a pleasure and a joy.

Samose is in reality a concentrated food, and restores life and vitality at once to the blood. It mixes with the ordinary foods and aids digestion; it extracts from the food that you eat the flesh forming and strength giving elements, building up the tissues and the general health.

Anyone can get a 50-cent box of this remarkable flesh-forming food knowing that their money will be refunded if it does not increase weight and restore the system to health.

ANNOUNCEMENT LAST NIGHT OF APPROACHING MARRIAGE

The coming marriage of Miss Dee Melvin and Mr. R. I. Belch was announced in a very charming manner last evening at a reception given by Miss Beulah Brock to about 30 young people, all friends of the bride and groom to be, at the home of her parents, No. 520 South Fifth street.

The home was very attractively decorated, the color scheme of pink and green being carried out in every detail. After several hours had been spent in pleasant social intercourse delicious refreshments were served and immediately following this each of the guests received a miniature telegram, delivered by Master William Vine, Jr., in a Dan Cupid costume. The telegrams contained the announcement of the forthcoming event, which came as a pleasant surprise to the friends of the young couple.

* * *

MISS BERTHA WIGGS BRIDE OF MR. THOS. ALBERT FRY.

The following announcements have been issued:

Mrs. Jesse Oliver Wiggs
announces the marriage of her
daughter
Bertha Lily
to
Mr. Thomas Albert Fry
on Wednesday, June the twelfth
nineteen hundred and twelve
Wilmington, North Carolina.

The ceremony was solemnized at the home of the bride's sister, Mrs. LeRoy C. LeGwin. No. 419 South Fifth street, yesterday afternoon at 1:30 o'clock, Rev. Dr. A. D. McClure, pastor of St. Andrew's Presbyterian Church, officiating. Owing to a recent bereavement in the family of the bride, the wedding was a very quiet one and was witnessed only by close relatives of the contracting parties. Mr. and Mrs. Fry will make their home in Florence, S. C.

* * *

QUIET HOME WEDDING CELEBRATED LAST EVENING.

In the presence of only members of the immediate families, Miss Cornelia Alice Woodward, the attractive and popular daughter of Mrs. Mary Worth Woodward, and Mr. Richard Smith Rose, formerly of China Grove, but for some time a resident of Wilmington, being connected with the A. C. L. general offices, were happily united in marriage at 6:30 o'clock last evening at the bride's home, No. 210 North Second street, which had been most tastefully decorated in green for the event fraught with so much interest for the young people. The ceremony was performed by Rev. Dr. John M. Wells, pastor of the First Presbyterian church.

Mr. J. A. Rose, of Asheville, brother of the groom, was best man. and Miss Emma Woodward, sister of the bride, was maid of honor. Miss Gladys Herring was bridesmaid. Mrs. Robt. E. Tapp, sister of the bride, played the Bridal Chorus from Lohengrin as the bridal party entered the parlor. The bride was becomingly attired in white Marquisette over white satin and carried a bouquet of bride's roses and lilies of the valley.

The couple are very popular with a wide circle of friends who will be interested in the announcement of their marriage. Among the out-of-town guests were Mrs. A. F. Boyd, of Raleigh, sister of the bride; Miss Kate O'Hanlon, of Tenafly, N. J., and Mr. J. A. Rose, of Asheville.

Mr. and Mrs. Rose will spend some time in the western part of the State and will be at home at the Cape Fear Apartments after July 1st.

* * *

WEDDING AT ATKINSON OF PROMINENT COUPLE

Atkinson, N. C., June 12.—The marriage of Miss Mary Moore Colvin, of this place, and Dr. Will Murphy, of Snow Hill, N. C., was solemnized at 5:30 o'clock this afternoon. The ceremony was performed in the Episcopal church by Rev. R. Murphy Williams, of Greensboro. The church was tastefully decorated with ferns, evergreens and Southern smilax.

Promptly at the appointed hour the bridal party entered the church while Miss Faison Shaw, of Wilmington, played Mendelsshon's Wedding March. Miss Mary Moore Colvin, the attractive bride, carrying Bride's roses and lilies of the valley and attired in white chiffon over white satin, wearing a beautiful sunburst of diamonds, a gift of the groom, was given away by her father, Mr. Jas. Colvin. Miss Mary Moore Sloan, the maid of honor, wore green chiffon over green satin, and carried a bouquet of roses. Miss Frances Robinson, the first bridesmaid, wore white Marquisette over white satin and carried white roses. Misses Edna Robinson, Mignonette Kornegay, Fannie Gray Farrior, Carrie Bryan Sloan, the other bridesmaids, wore white lingerie, with veils caught up with lilies of the valley. Little Miss Myrtle Westbrook, of Wilmington, was flower girl, and was tastefully attired in white dress with pink ribbons. The best man was Mayor Thos. J. Murphy, of Greensboro, brother of the groom. The ushers were Dr. J. G. Murphy, of Wilmington, and State Senator E. A. Hawes, Jr., of Atkinson. Mr. Heman S. Shaw, of Wilmington, rendered suitable music on the violin before and during the ceremony.

After the ceremony Dr. and Mrs. Murphy left on the northbound train for points in western North Carolina, where they will enjoy a happy honeymoon, upon the completion of which they will be at home in Snow Hill, N. C. Dr. Murphy is a prominent and successful practitioner of that town and a royal welcome awaits him and his bride. Mrs. Murphy, who has hosts of friends in many sections of the country, leaves Atkinson, her home town, with the happy felicitation of her numerous friends.

Monday night an entertainment and reception was given at the home of Mr. E. A. Hawes in honor of the bridal party. A reception at the home of the bride was enjoyed Tuesday night. An elegant wedding dinner, elaborate and tempting, was spread at the home of Mr. and Mrs. Colvin before the wedding ceremony today.

Attesting the popularity of Dr. and Mrs. Murphy, numerous presents of cut glass, silver, gold, etc., were given by their friends.

Many visitors from a distance were present. Among these were: Mrs. S. A. Wooten and Robt. Wooten, Mount Olive; Mr. and Mrs. Wm. Sloan, Misses Anabelle and Elizabeth Sloan, Mr. David Sloan and Chas. Sloan, of Garland; Mr. I. A. H. Miller, Garland; Miss Pachel Kornegay, Mount Olive; Mrs. Lee Simpson, Tomahawk; Dr. and Mrs. Sam Cromartie, Garland; Mr. J. W. S. Robinson, Winfield Robinson, Miss Carolina Robinson, Ivanhoe; Mrs. B. I. Orr, Currie; Miss Maggie Cromartie, Garland; Mrs. Angus Cromartie, Garland; Mrs. T. E. McDonald, Ivanhoe; Miss Eliza Murphy, Wilmington; Mr. and Mrs. David Sessoms, Ivanhoe; Mr. J. E. B. Evans, St. Paul's; Mr. John D. Robinson, Ivanhoe; Mr. W. H. Sloan, Garland.

* * *

MISS MABEL MERLE CROOM BRIDE OF MR. WM. E. SIKES.

A simple but beautiful wedding was solemnized at 2 o'clock yesterday afternoon at the home of the bride's brother, No. 610 Dock street, when Miss Mabel Merle Croom, one of Wilmington's most beautiful and attractive young ladies, became the bride of Mr. William Ernest Sikes, a prominent young business man of Red Springs, N. C.

The home was beautifully decorated in green and white and lighted with the soft glow of candles. Before the ceremony Miss Glennie Graham sweetly sang, "I Love You Truly." Miss Janet Weatherspoon, of Sanford, N. C., played the Bridal Chorus from Lohengrin as the bridal party entered the parlor. Mrs. J. LeRoy Croom preceded the bride, who entered from the hall with her brother. Mr. James LeRoy Croom. The groom entered from the south parlor with his best man, Mr. J. H. Townsend, and met the bride at the improvised altar, where the ceremony was impressively performed by Dr. G. G. Vardell, president of the Southern Presbyterian College, Red Springs, of which the bride is a graduate, and where she has recently been teaching, Rev. Dr. A. D. McClure assisting.

The bride wore a white cloth suit with hat to match and carried a shower bouquet of bride's roses and lilies of the valley. The dame of honor, Mrs. LeRoy Croom, was also attired in white and carried white sweet peas and lilies of the valley.

Owing to the recent death of the bride's father, Mr. M. F. Croom, only the immediate family and intimate friends were present. The out-of-town guests were Mr. and Mrs. W. H. Sikes, Dr. G. G. Vardell, Miss Glennie Graham, Mr. J. H. Townsend, of Red Springs; Miss Janet Weatherspoon, of Sanford, N. C.; Miss Ruth Bie, of Jacksonville, Fla.; Mrs. E. L. Larkins, of Burgaw.

Mr. and Mrs. Sikes left on the afternoon Seaboard train for the western part of the State, where they will spend June and July. They will be at home after August 1st on College street, Red Springs, N. C.

PERSONAL PARAGRAPHS.

—Mr. Geo. W. Blacknell, of Raleigh, is a guest at The Orton and is being pleasantly greeted by his many Wilmington friends.

—Among last night's arrivals at The Orton were P. S. Kornegay, Lumberton; H. A. Lewis, Marion, S. C.; W. H. McLaurin, of Laurinburg, N. C.

—The friends of Mr. Geo. W. Blacknall, of Raleigh, were glad to greet him in the city yesterday, though he was still lame from an accident which occurred to him while boarding a car in Raleigh, when he suffered a severe injury to his hip. However, it is gratifying to know that he is improving and will soon be himself again.

—Among the visiting Pythians and other arrivals at The Orton last evening were Alex Jones, Hasty, N. C.; Chas. L. Bell and J. Berg, Southport; J. E. Beaman, Fayetteville; E. C. Matthews, Durham; D. H. Britt, Jr., McDonald's; A. B. Hedgepeth, Rowland; G. H. Currie, Clarkton; H. L. Lyon, Whiteville; Jos. E. Johnson, Warsaw.

—Among yesterday's guests at The Orton were G. Wishart, R. E. Lee, D. P. Walters, Lumberton; W. A. Fry, Fayetteville; T. M. Thompson, Southport; H. L. Stewart, Clinton, Alex. Jones, Lauringubrg; W. E. Sikes, I. H. Townsend, C. G. Vardell, Red Springs; N. A. Schullenberger, Charlotte; R. O. Lindsay, High Point; J. A. Rose, Asheville; J. M. Crane, Newbern; A. B. Holmes, Council.

LOCAL DOTS.

—An indoor baseball game will be played at the Y. M. C. A. tonight when the Sand Fiddlers will oppose the Seniors. The public is invited to attend.

—The regular monthly meeting of the Chamber of Commerce will be held at 4 o'clock this afternoon. Several matters of interest are expected to come up for consideration.

—The annual excursion of Cherokee Tribe of Red Men to Carolina Beach was given yesterday. It was one of the largest of the season and the last boat coming up at midnight was crowded. The steamer Wilmington made three trips to the pier and return during the day.

—A case against J. A. Riggs, an East Wilmington merchant, charged with being a common nuisance, set for hearing before Justice Harriss yesterday, was continued until next Wednesday. Justice Harriss said that it was likely that the matter would be adjusted by the "defendant abating the nuisance." Woodus Kellum, Esq., appears for the defendant and L. Clayton Grant, Esq., for the prosecution.

Municipality Secures Tract of Land In Southern Part of City

The deed by which the municipality secures from the Suburban Development Company 22 acres of land bordering on Greenfield Pond, in the southern part of the city, was probated yesterday and will be filed for record today or tomorrow. The document is now in the hands of Mayor Joseph D. Smith, having been handed to him yesterday by Mr. Martin S. Willard, of the Suburban Development Company. In return for the land, which is to be used for park purposes, the city agrees to improve Fourth street, from Wright to Greenfield, at a cost of about $18,000. Mayor Smith said last night that a special meeting of the Council might be held within the next few days for the purpose of awarding the contract for the improvement of the street, so that the work could be commenced without delay.

Real Estate Transfers

Deeds were filed for record yesterday as follows: Edward Quick and wife, et al., to Maria G. Taylor, for $800, lot on west side of Anderson street, 132 feet south of Gywn, 33 by 82 1-2 feet in size; Maria G. Taylor to Isaham Quick for $100 and other considerations, lot on west side of Anderson street, 165 feet south of Gwyn, 33 by 82 1-2 feet in size; by another deed Isham Quick transfers the same property to Frank Andrews; J. T. Smith and wife to Albert F. Gibson, for $2,500, lot on west side of Third street, 165 feet south of Castle, 33 by 165 feet in size.

Mrs. J. W. Cavanaugh Dead.

Many friends in the county were grieved to learn of the death of Mrs. J. W. Cavanaugh, of Federal Point township, which occurred at her home at 12:40 o'clock yesterday morning. She is survived by her husband and four children, who have the sympathy of a great many friends in their bereavement. The funeral was held at 5 o'clock yesterday afternoon and interment was in Bryant's graveyard.

This Testimony Convinces

Dr. J. T. R. Neal, Prop. Riverside Drug Co., Greenville, S. C., writes recently, "I have been a practicing physician and druggist for over 35 years and have sold and administered many kidney medicines but none to equal Foley Kidney Pills. They are superior to any I have ever used and give the quickest permanent relief."

COTTON RECOVERS ITS LOSS

Opening Was Steady at a Small Advance and Close Was Very Steady 13 Points Higher—Better Cables Received.

New York, June 12.—The cotton market fully recovered yesterday's loss during today's trading and closed very steady, at a net advance of 11 to 13 points.

The opening was steady, at an advance of 4 to 8 points, in response to better cables than expected, reports of a strong old crop situation in Liverpool and larger English spot sales. There was considerable cotton for sale at the start, however, owing to a favorable opinion of the weather map and the official forecast, but after a little irregularity the market showed renewed firmness, on buying by Liverpool, New Orleans and leading trade interests. Toward midday, reports from New Orleans that storm signals had been ordered for the Galveston district, suggesting the progress of the disturbance in the Gulf toward the Texas coast, caused some apprehension, and the market sold up to a net gain of from 15 to 18 points. Buying became less active at this advance, which carried the market 3 or 4 points above the best figures of Monday, and slight reactions occurred from the best under realizing or local pressure. A dip of 5 or 6 points, however, was sufficient to attract renewed covering and the market was very steady in the late trading. Local authorities claim that moderate rains or showers in the Western belt would be beneficial, and the fear that the Gulf storm would bring either excessive precipitation or winds into Texas, did not appear to become general. Private cables attributed the near months' strength in Liverpool to trade buying and small offerings of desirable grades.

Receipts, 2,486, against 3,141 last week, and 3,604 last year. Today's receipts at New Orleans, 1,152, against 2,118 last year; at Houston, 191, against 35 last year, and at Galveston, 454, against 322 last year.

Spot closed quiet, 5 points higher; middling uplands, 11.80; do. gulf, 12.05; no sales.

Futures closed very steady.

STOCKS EXCEEDINGLY DULL

Significance of Operations in the Market Has Not Been Equalled This Year—Movement Is Very Listless

New York, June 12.—For absolute dullness and insignificance of operations today the stock market has seldom been equalled this year. The movement was listless and halting from the very outset, and in the first three hours just about 100,000 shares changed hands, the day's total output being 162,000 shares.

Following an irregular opening, prices declined slightly and as the session proceeded further improvement was noted, but the limit of apathy was reached in the final hour. Canadian Pacific was virtually the only high class stock to display marked strength, and the Harriman and Hill shares were almost altogether neglected, with some late heaviness in Union Pacific. In the industrial group Amalgamated Copper, Tennessee Copper, American Can, common and preferred, Bethlehem Steel, American Beet Sugar and several of the less important issues rose from 1 to 2 points, while Colorado Fuel, which early in the day added to yesterday's gain, later fell back.

Sentiment on the board was perhaps less pessimistic than on the preceding day, but a majority of the traders seemed indisposed to take on new commitments, pending the outcome of the "money trust" inquiry and more definite crop news. Some of today's news from important agricultural centers was not altogether promising.

Money conditions at home were marked by greater firmness, with a slight advance in all accommodations, ranging from 4 to 9 months, the rate for the latter period going to 4¼ per cent.

The bond market was irregular and narrow, keeping pace with the movement in stocks. Total sales, par value, $1,785,000. United States government bonds, unchanged on call. Total sales of stocks today were 162,800 shares.

OPPOSES TAFT'S EXPENSES.

Representative Page Objects to Giving President $25,000.

Washington, June 12.—Opposition to the grant of $25,000 for the traveling expenses of the President during the coming fiscal year, sprang up in the House today. Representative Page of North Carolina, Democrat, raised the initial objection to the item in the sundry civil appropriation bill when that measure was taken up.

"Is there to be much discussion of this item?" inquired Minority Leader Mann.

"I think there'll be plenty," said Mr. Page grimly.

Debate on that point was postponed to expedite the remainder of the bill.

The session came to a sudden end, however, when former Speaker Cannon raised the point of no quorum.

REFUSES APPROPRIATION.

House Will Not Give Sum for Mounting Teddy's Trophies.

Washington, June 12.—The House today refused to appropriate an additional sum for the preparation and mounting of skins collected by Col. Roosevelt on his African hunting trip.

Former Speaker Cannon sought to have the $250,000 appropriation for the purpose increased to $325,000. This was defeated and a request for $300,000 also was lost.

Minority Leader Mann accused the Democrats of disclosing an "animosity" toward the former President that should not be entertained.

$100 Reward, $100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Rheumatism

A great many people believe rheumatism cannot be cured. They have tried many treatments without benefit. If you suffer from rheumatism, don't be discouraged. Don't give up until you have tried

KETTERER'S
Excelsior
BLOOD PURIFIER
(K. E. B. P.)

Note this letter from R. H. Littlefield, Pensacola, Fla.—"I suffered untold misery the past number of years from inflammatory rheumatism, and could find nothing to cure or relieve me. I had almost drawn a conclusion that all patent medicines were frauds, until about one year ago I was induced by a friend to try a preparation known as K. E. B. P. It now affords me the greatest pleasure of my life to state that I am entirely cured, with no trace of the disease left, and all effected by the magical properties of the K. E. B. P. I consider it the grandest, purest and most powerful blood remedy known to man."

Ketterer's Excelsior Blood Purifier is guaranteed to help you. If you don't receive benefit, your druggist will refund your money. Get well. Why suffer?

You Can't Fool a Motor Car

It knows a good oil—and a bad—and if you feed it poor oil, it will tell you so before long in the very unwelcome language of cylinder troubles: pounding, misfiring and carbon deposits. If you lubricate it with

Polarine

you reduce lubrication troubles to the minimum. This is because Polarine is produced by a special process which we have worked out with great care in order to secure the peculiar lubricating qualities required for a gas engine.

You secure the benefit of our many years of experience when you buy Polarine.

In addition to Cylinder Oil, the Polarine Brand includes—

Polarine Transmission Lubricants,
Polarine Cup Grease,
Polarine Fibre Grease.

These cover the lubricating requirements of every part of automobile machinery.

IS STILL KICKING T. R.'S DOG AROUN'

(Continued From Page 1.)

a third candidate. A number of leaders thought that now it was positively beyond question to expect either the Taft or Roosevelt people to abide by the nomination of the other's candidate. The situation was crystalized to a great degree by the action of the National Committee in the contest hearings, particularly the California case during the day. Roosevelt men insisted that they could expect nothing for their candidate at the hands of the ruling Taft majority in the National Committee and criticised the work of that body with bitterness.

The question of whether or not Colonel Roosevelt would come to Chicago and what effect his coming would have upon the tense situation came up at almost every turn of the endless discussions and arguments and nearly all agreed that the arrival of Colonel Roosevelt would bring the situation to an immediate focus, but the final outcome of such an event was disputed.

Late tonight after repeated conferences, the Roosevelt leaders announced that the mass meeting set for Friday afternoon had been postponed to Monday night. No reason was given for this change in the date of holding the Roosevelt demonstration. There was considerable speculation as to just why the date had been changed to the night before the formal opening of the convention.

The States that loomed large in the calculations of the Roosevelt leaders in case of a bolt were California, Oregon, Kansas, Nebraska, Pennsylvania, New Jersey, West Virginia, South Dakota, Minnesota, Wisconsin and North Dakota.

Several other States were named also, but the former President's campaign chiefs seemed to get greatest satisfaction out of their survey of those listed.

The third candidate talk included Cummins and LaFollette, and then went on to the much debated "dark horse" possibility. A dozen names were mentioned in the latter connection, but there was no unanimity of opinion among leaders in this regard.

Director McKinley's statement, after claiming that Mr. Taft would be nominated on the first ballot, charged that the Roosevelt forces were planning "more desperate measures to prevent the inevitable."

"The effort to corrupt Taft delegates to the convention," said the statement, "has been underway for several weeks. It is common knowledge that seven weeks ago money was sent to two Taft instructed delegates in a certain Southern State by telegraph by a well-known Roosevelt leader now in Chicago.

"Within the last week two men sent from New York to a Southern State have brazenly approached Taft delegates with offers of money in return for votes for Roosevelt. Other agents on a similar mission have made their appearance in several States recently.

"That a well-defined effort is on foot to buy the Presidential nomination for Theodore Roosevelt is beyond question."

The statement then charges that a plan is on foot to influence the local police force with a view to packing the convention hall with non-ticket holders and to "perpetrate in the hall a system of intimidation and terrorization which might easily culminate in a full-fledged riot."

"A plain campaign lie," was Mr. Dixon's retort to the McKinley statement.

The Roosevelt committee phrased its opinion of the National Committee's action in today's contest in a statement. The Michigan case was characterized as "one of the most outrageous attempts at strong-arm tactics perpetrated by the Taft forces in a campaign marked by ruthless disregard of justice and fair dealing on their part.

"The rape of California," was the key phrase of the Roosevelt statement of the committee's action in the Fourth California district contest."

Taft Men Are Bolting, Says Teddy

Oyster Bay, N. Y., June 12.—"They are bolting from the Republican party at this moment," said Colonel Roosevelt tonight, of supporters of President Taft on the Republican National Committee. The former President was aroused to a fighting mood by the news which reached him today over his private wires from Chicago. He denounced the action of the National Committee in deciding the contests for seats in the National Convention from Kentucy, Arizona and California. He declared that the 37 Taft supporters on the National Committee have shown their profound and abiding disloyalty to the party which in theory they represent and which in practice they have betrayed.

Colonel Roosevelt laid special emphasis upon the seating of the Taft delegates from one California district. He said that of the 37 National committeemen who have "robbed the Republicans of California, of two of their delegates and have presented the stolen goods to Mr. Taft, there is just one man who is entitled to speak for the Republicans in his State."

The colonel expressed the opinion that the National convention would not ratify the seating of the Taft delegates from California. Colonel Roosevelt declined to comment upon the statement of William Flinn, of Pittsburg, and other Roosevelt supporters that the members of the electorial college from several Republican States which have been carried by Roosevelt at the primaries would cast their votes for him in case President Taft is re-nominated.

When he was asked if he had decided whether he would go to Chicago, Colonel Roosevelt replied, smilingly: "I'm not going in the next half hour any way."

In a lengthy statement tonight Colonel Roosevelt after bitterly denouncing the action of the National Committee in deciding the contests for seats in the National Convention from Kentucky, Arizona and California, in conclusion says:

"Those men who are endeavoring to wreck the Republican party by trying to pack the National Convention with men not elected to it as delegates, are men just repudiated by the Republicans of their own States, whose official position in the Republican party comes to an end within one week.

"These men claim to be regulars and to speak as if opposition to them means bolting the Republican party.

"It is they who are now irregular. It is they who are now profoundly disloyal, both to the Republican party and to the cause of good citizenship. They are bolting from the Republican party at this moment. Every decent Republican must be loyal to the Republicans of California who by 77,000 majority elected their delegates and they can only be loyal to the Republican party by repudiating the action of the 37 members of the National Committee who by their votes in the matter have shown their profound and abiding disloyalty to the party which in theory they represent and which in practice they have betrayed."

Talk of Third Party

Los Angeles, Cal., June 12.—When the California delegation to the Republican National Convention at Chicago arrived here today and learned that two of the delegates had been deposed by the Republican National Committee in favor of Taft, contestant resolutions were adopted condemning the National Committee and talk of creation of a third party was freely indulged in.

Newspapers supporting the "progressive" wing of the Republican party greeted the delegation with editorials urging them to support a third party movement if Roosevelt should not be nominated and the resolution pledged the delegates "to go the limit" against "those who are putting through the anti-Roosevelt programme at Chicago."

A mass meeting to protest against the "outrageous tactics" of the National Committee was held at the depot here.

The resolution says:

"We condemn as a betrayal, a violation of precepts of decency and honor, and as an intentional assault upon the integrity of the Republican party, the outrageous conduct of the Republican National Committee and the discredited repudiated bosses now dictating and controlling that committee whereby delegates chosen by the people of their respective States in the interest of Roosvelt are being denied seats in said convention while their places are given to 'hand-picked' machine puppets chosen by the bosses in the interests of William H. Taft.

"We denounce the acquiesence of President Taft in the programme of the political larceny now being carried out.

"We call on the members of the California delegation to go the limit of all honorable endeavor to rebuke the tactics of which we here complain, and urge them to fight first, last and all the time for Theodore Roosevelt, a progressive ticket and the progressive cause."

Meyer Lissner, chairman of the Republican State Central Committee, when asked what he thought about the possibility of a new party, answered:

"All I will say is this: We are going to Chicago as progressives and we are coming back as progressives. We won't take anything but the progressive platform and a progressive candidate."

CONGRESS WILL RECESS.

Both Houses Will Adjourn for the Political Conventions.

Washington, June 12.—The Senate today agreed to a programme of three-day recesses from June 17 to July 1, covering the period of the Republican and Democratic National conventions. The House will recess for three days during the Democratic convention only and will continue in session during the rest of the National convention period on a "gentlemen's" understanding that no partisan legislation will be pressed. This statement was made today by Representative Underwood, of Alabama, Democratic leader of the House.

This plan will enable the House to clear up much ordinary legislation while the Senate is carrying out its extended recess programme.

The Senate's action was without dissent or debate. The resolution by Senator Lodge provides that beginning on Monday, June 17th, there will be an adjournment until Thursday, June 20th from that date to Monday, June 24th, from then to Thursday, June 27th; and from that date to Monday, July 1st.

The further understanding is that when the Senate does convene on the days specified none but routine business shall be transacted.

Vice President Sherman will be away from Washington during much of the next six weeks and the Senate today designated Senator Bacon to act as President pro tem. until July 5th, and Senator Gallinger from that date until July 31st.

Mr. Sherman will go first to Hamilton College, Clinton, N. Y., to deliver an address at the celebration of the 100th anniversary of that institution. He expects to spend a portion of July recuperating in the Adirondacks.

SHRINERS AT ASHEVILLE.

Great Gathering From North and South Carolina—Band.

Asheville, June 12.—Never before in the history of Asheville have so many Shriners been present at a pilgrimage. This time the two States are united. South Carolina and North Carolina have met in joint pilgrimage. Twelve hundred members of the order with their wives are in attendance. A large number are from Charlotte. One hundred and fifty candidates are to be initiated tonight. The Charlotte Drum Corps is attracting much attention.

Reno, Nev., June 12.—Governor Tasker L. Oddie, of Nevada, today appointed Joseph Wingfield, of Reno, friend and business associate of the late Senator George S. Nixon, as United States Senator until the meeting of the Nevada Legislature in January, 1913. At that time the Legislature will elect a successor to complete the unexpired term extending until March, 1917.

PYTHIANS ADJOURN ANNUAL SESSIONS

(Continued from Page One.)

in the meeting when the eulogy was completed.

Several vocal selections by the Acme Male Quartette, of Wilmington, were features of the memorial service. A recess was then taken for dinner.

Afternoon Session.

The Grand Lodge reconvened at 2:45 and consideration of the special order resulted in the referenceof the proposed amendment to the grand statutes creating a State Lodge to be composed of members of defunct lodges to a committee composed of the judiciary committee and the Supreme Representatives, to be reported on at the next Grand Lodge.

The reports of the various officers and committees were received and approved. A movement on the part of the Master of Finance and the Keeper of Records and Seals for the formation of district and State associations for these officers was endorsed by the Grand Lodge.

Mr. C. W. Pender, superintendent of the Orphans' Home at Clayton, made a stirring speech in reference to the work that is being done at the institution and remarks were also made by Trustees G. Herbert Smith, of Cronly; Geo. Hackney, of Lexington; Thos. H. Webb, of Duke, and Chas. Dewey, of Goldsboro.

Major J. G. Baird, of Charlotte, editor of the Carolinia Pythian, presented an outline of a plan by which he hopes to receive the support of the lodges in the Grand Domain of North Carolina, and a very liberal amount was subscribed by the lodges toward the support of the publication.

On behalf of the members of the Grand Lodge, Mr. D. W. Sorrell, of Durham, in a very eloquent speech, presented to retiring Grand Chancellor C. C. McLean, of Greensboro, a very handsome engraved gold watch as a testimonial of the esteem in which he is held. Mr. McLean expressed his thanks in a very feeling speech of acceptance. Capt. Thos. D. Meares, on behalf of the Grand Lodge, then presented to Mr. McLean a Past Grand Chancellor's jewel. This jewel is prescribed by the Grand Lodge for each retiring Grand Chancellor.

As an expression of the appreciation of the members of the Grand Lodge for the entertainment that had been accorded them the following resolution was adopted by a rising vote:

"Resolved, That the thanks of this Grand Lodge be given to the Pythian Lodges of Wilmington and the local committee for their courteous treatment while in their midst."

The newly elected officers were then installed by Past Grand Chancellor R. H. Rickert, of Statesville, acting as Supreme Chancellor; Rev. J. Hollowell Dickinson, of Goldsboro, acting as Supreme Prelate and Past Grand Chancellor T. H. Webb, of Duke, acting as Supreme Master at Arms.

The Grand Chancellor appointed as members of the Grand Tribunal, Mr. J. J. Phoenix, of Greensboro, to fill the unexpired term of Mr. J. C. Clifford, resigned; and Mr. Henry T. Powell, for the regular term. The appointments were confirmed by the Grand Lodge.

Adjournment was then taken to meet in Winston-Salem on the second Tuesday in June, 1913.

The convention was cut short by one day on account of the fact that very little legislation was on hand and many of the members expressed the desire to return to their homes as soon as possible. It was regretted that the convention did not get to take the trip down the Cape Fear as had been planned, but the announcement was made that any of those remaining over could make the trip today if they so desired, and it is possible that a number of the visitors who are still at the beach will avail themselves of this opportunity for the delightful ride down the historic river on the Harper line steamer Wilmington.

One and all the delegates expressed themselves as delighted with Wrightsville Beach and many declared that this was the most delightful convention of the Grand Lodge in years. It was a record-breaker for attendance, as with those who came in late Tuesday night and some few yesterday there were over 300 Pythians and members of their families at the Oceanic.

Last night the Dramatic Order, Knights of Khorassan, held their session in the assembly hall, and the ceremonial was on the usual elaborate and mystic scale. A large class of "fresh meat" was initiated into the mysteries of the order, and the session did not close until after midnight. It was followed by a very elaborate banquet, served in the dining room of the Oceanic.

Manager Jesse N. Couch personally supervised the preparation and serving of the midnight banquet and the D. O. K. K.'s were highly pleased with the splendid service given. The banquet was a sea food one exclusively and in this line the Oceanic's chef is second to none.

It was well into the morning hours before the Knights of Khorassan finally sought their couches, thus bringing to a close the last formal feature of the convention of the Grand Lodge.

Americus, Ga., June 12.—The jury in the case of Mort S. Childers, of Smithville, charged with causing his wife's death by administering poison, returned a verdict of acquittal after 20 minutes deliberation this afternoon. It was the third trial for Childers in the last eight months, the other two resulting in hung juries. Childers was accused of placing strychnine in a bottle of medicine his wife was in the habit of taking. The couple had been married only four months.

Hong Kong, June 12.—The contingent of British troops which has been located at Shameen, the foreign settlement in Canton for many months, returned here Saturday, but fresh instructions were issued today ordering the officers and men to hold themselves in readiness to return to Canton owing to the grave unrest in that city. The situation there is so serious that almost anything is possible at any hour. The financial crisis at Canton also is very acute.

Paris, June 12.—Frederick Passy, one of the best known men in France and whose campaign in behalf of peace made his name familiar all over the world, died here today after a short illness in his 91st year.

STATE GEOLOGICAL SURVEY

Semi-Annual Session In Raleigh — Work of the Year

(Special Star Correspondence.)

Raleigh, N. C., June 12.—The State Board of Geological Survey was in semi-annual session today, the members being Governor Kitchin, M. R. Braswell, Rocky Mount; Frank Hewitt, Asheville; Hugh MacRae, Wilmington; R. D. Caldwell, Lumberton, with Dr. Joseph Hyde Pratt as State geologist. A special feature of the meeting was the report of Dr. Pratt that every county along the line of the Central Highway, Beaufort to the Tennessee line, is doing work this Summer on its section of this road and that fine progress is assured. Also he reported that a corps of engineers will begin work Saturday of this week on the survey of the crest of the Blue Ridge highway and that the association has in hand the funds with which to build a 20-mile section of the road. He reported fine progress along all lines of effort on the part of the Geological Board. This was the semi-annual session and the usual provision was made for the continuance of the work in all the avenues of development and conservation in which the Board is interested.

If Your Head Aches You Can't Think Fast

To be alert, vigorous and think the right thing at the *right* time, you must not let headache become chronic, whether from heat, cold, stomach or nervousness.

Hicks' Capudine Stops Headache
